A marionette is a puppet controlled from above using wires or strings depending on regional variations. A marionette's puppeteer is called a marionettist. Marionettes are operated with the puppeteer hidden or revealed to an audience by using a vertical or horizontal control bar in different forms of theatres or entertainment venues.

I was looking for unusual things to do in
Amsterdam, and found a listing for the
Amsterdam Marionette Theatre. This is a truly
unique thing to do on vacation. The
performance we saw was Mozart's Impresario.
