"It is clearly and powerfully written and is probably the best book on the theory and practice of marketing planning ever written. It is a best-seller in Europe and I strongly recommend the book to anyone with an interest in marketing planning." –Warren J. Keegan, Professor of International Business and Marketing Director, Institute for Global Business Strategy, Pace University, New York "I am extremely impressed by the step lucidity of what is presented." –Dr D. H. Eaton, North Carolina University "A book reaching the quantities sold of Marketing Plans must be a book that is really used. It is not difficult to see why. Malcolm McDonald writes about what to do in marketing and how to do it. Unlike many academic marketing writers, he will never let you forget that marketing ends with –ing." –Kenneth Simmonds, Professor of Marketing and International Business, London Business School "Malcolm McDonald is clearly one of the most respected Professors of Marketing in Europe and the author of a number of outstanding books. The fact that Marketing Plans has been such a massive seller offers testimony of this. McDonald writes with clarity and insight that is becoming increasingly rare today. It is powerful, up to date and has proved that it works. I recommend it to you!" –John D. Ryans, Jr, Bridgestone Professor of International and Professor of International Marketing, Kent State University, Ohio

Practical resources to write a marketing plan are difficult to find. "On Target: The Book on Marketing Plans" offers an excellent solution. "On Target" takes you through the process of writing an effective marketing plan from the initial concept to full implementation.

MARKETING STRATEGY, 6e, International Edition edition emphasizes teaching students to think and act like marketers. It presents strategy from a perspective that guides strategic marketing management in the social, economic, and technological arenas in which businesses function today--helping students develop a customer-oriented market strategy and market plan. Its practical approach to analyzing, planning, and implementing marketing strategies is based on the creative process involved in applying marketing concepts to the development and implementation of marketing strategy. An emphasis on critical thinking enables students to understand the essence of how marketing decisions fit together to create a coherent strategy. Well-grounded in developing and executing a marketing plan, the text offers a complete planning framework, thorough marketing plan worksheets, and a comprehensive marketing plan example for students to follow.

Almost every company creates a marketing plan each year, and many spend hundreds of employee hours researching, preparing and presenting their tomes to senior executives. But most marketing plans are a waste of time; they are too long, too complicated and too dense. They end up sitting on a shelf, unread and unrealized. Breakthrough Marketing Plans is an essential tool for people who create marketing plans and people who review them. The book provides simple, clear frameworks that are easy to apply, and highlights why marketing plans matter, where they go wrong and how to create a powerful plan that will help build a strong, profitable business.

Over 50,000 copies sold worldwide!

An imaginative, witty, original but deadly serious introduction to all the concepts you need in marketing today. Successful executives know that marketing as a process and an orientation is a necessity for understanding where a company needs to go and how to get there. It's not difficult to spot those organizations that have failed to adopt a marketing approach! In order for managers and students to quickly grasp the key principles, one of the world's leading marketing educators, Malcolm McDonald, has teamed up with expert cartoonist and educational designer, Peter Morris, to create this short, unique and powerful guide. Using black and white cartoons and graphics packed with ideas and examples, Marketing Plans: A Complete Guide in Pictures is a highly accessible primer that is both a rigorous and serious introduction to the subject for those discovering marketing for the first time, and a versatile companion for more experienced professionals. This book is based on the international bestseller Marketing Plans: How to Prepare Them, How to Use Them by Malcolm McDonald and Hugh Wilson (Wiley).
