A wide range of exercises for use in MBTI ® based training sessions. In the same vein as the new exercises published earlier this month, these free resources equip MBTI practitioners with group-based activities that have proved popular and effective in the training room over the last few years. They cover such areas as conflict-handling, decision-making and change, along with activities that illuminate the differences between preference pairs.

Short, impactful exercise for MBTI ® group sessions. Icebreaker exercise that presents the MBTI framework’s benefits in a way people can see and experience for themselves. This MBTI numbers exercise illustrates the relevance and usefulness of a framework. It’s also a useful tool to counter the ‘MBTI puts everyone in a box’ argument, as the framework it demonstrates is about understanding where things are in relation to one another.

One of my favorite MBTI exercises. by Lisa Jasper. At Thought Ensemble, we are always working hard to understand ourselves and others in order to improve the way we work together. We have used MBTI as a personality type indicator over the years and have found it to be very helpful in understanding our differences in a safe way. We got our whole ...

[One of my favorite MBTI exercises – Thought Ensemble](#)

The Myers-Briggs Type Indicator (MBTI) is a useful instrument for illustrating and appreciating differences between each other (though not scientifically sound).One of my favorite activities is demonstrating this to naysayers who equate MBTI to astrology, so here’s a simple team building activity you can use when your unit is in need of something lighthearted.

How does he communicate with the group? 3. Story Time Game. The host starts a story by saying a sentence. It then goes in a circle, with each participant repeating the sentence that has just been said and then adding a new sentence onto the story. This exercise is good at exposing the differences in the Sensing and Intuitive thinking style.
