Microwave and RF Information for Engineers.

What books are considered 'bibles' for mechanical ...

God is an engineer. Well, the Bible doesn't put it quite like that, but we are his design and make project – as is everything else in the whole of the universe too! W What's more – he made us to participate in his world. It's not like work is somehow not important to God and he'd rather we were singing hymns or doing something 'holy'.
