This book argues that the field is in need of 're-rooting'. The book stresses the need to reconcile the strategic, financial, and sociocultural aspects of M&A. To break the silo mentality through which scholars have traditionally approached the study of M&A, the book presents a three-dimensional model of M&A management, founded on the str ... More. Despite decades of practice and research, many mergers and acquisitions (M&A) findings remain contested and inconclusive.
