What's the most common reason mergers and acquisitions fail? The human (cultural) factor. According to the International Journal of Innovation and Applied Studies, the largest contributor to merger and acquisition failure has to do with people. That is, how we cope (or not) with cultural differences and a lack of effective communication.

### [How to manage company culture during mergers and acquisitions](#)

In mergers and acquisitions (M&A), special emphasis is usually placed on the strategic and financial goals of the deal, while the psychological, cultural, and human resource implications do not receive as much attention.

Mergers create vast organizational anxiety about the future: in most cases, the operating model and culture will change dramatically for one or both merging companies. These changes go far beyond a new name and senior leadership; they challenge the core of an organization's identity, purpose, and day-to-day work.

### [Managing and supporting employees through cultural change](#)

Mergers & acquisitions are a time of uncertainty for employees, managers, and leadership on both sides of the table. In fact, over half of mergers and acquisitions fail, and the most common reason is the human factor.

### [Managing culture during mergers & acquisitions](#)

Organizational culture in mergers: Addressing the unseen forces Understanding culture, and proactively managing it, is critical to a successful integration. This requires a comprehensive approach. Cultural factors and organizational alignment are critical to success (and avoiding failure) in mergers.

### [Organizational culture in mergers: Addressing the unseen](#)

A likely cause of the trouble is culture clash. In a Bain survey of executives who have managed through mergers, that was the No. 1 reason for a deal's failure to achieve the promised value.

Mergers and Acquisitions: Managing Culture and Human Resources (Stanford Business Books) by Günter K. Stahl; Mark E. Mendenhall at AbeBooks.co.uk - ISBN 10: 0804746613 - ISBN 13: 9780804746618 - Stanford University Press - 2005 - Hardcover

### [9780804746618: Mergers and Acquisitions: Managing Culture and Human Resources](#)

Culture is the critical barrier to change. And the stronger the culture in the first place, the harder it is to change it. Just as the more ingrained a personality trait is, the harder it is to reshape. In the merger integration process, culture typically stands squarely in the way of some of the transition and change.

### [Merging Cultures after Acquisition | M&A Culture | Post-Merger](#)

Researchers have generated many insights and practitioners have developed many interventions regarding culture in M&A. Managing culture, however, is often a low priority when executives are consumed with the deal's financial and strategic aspects.

### [A framework for the human resources role in managing change](#)

Change Management in Merger Integration The value in mergers and acquisitions is undisputed. Bain & Company analysis of deals over an 11-year period has shown that as a group, companies that engaged in M&A activity averaged higher shareholder returns than inactive companies.

### [Change Management in Merger Integration | Bain & Company](#)

In mergers and acquisitions (M&A), special emphasis is usually placed on the strategic and financial goals of the deal, while the psychological, cultural, and human resource implications do not receive as much attention. This book examines the dynamics of the sociocultural processes inherent in M&A and "fleshes out" their implications for postmerger integration management.
