The theme of the Metamorphoses is change and transformation, as illustrated in Graeco-Roman myth and legend. On this ostensibly unifying thread Ovid strings together a vast and kaleidoscopic sequence of brilliant narratives, in which the often paradoxical and always arbitrary fates of his human and divine characters reflect the never-ending flux and reflux of the universe itself.

Metamorphoses--the best-known poem by one of the wittiest poets of classical antiquity--takes as its theme change and transformation, as illustrated by Greco-Roman myth and legend. Melville's new translation reproduces the grace and fluency of Ovid's style, and its modern idiom offers a fresh understanding of Ovid's unique and elusive vision of reality.

The modern, unacademic idiom of A.D. Melville's translation opens the way to a fresh understanding of Ovid's unique and elusive vision of reality.

The Roman poet Ovid's Metamorphoses, completed around 8AD, shows the presence and prevalence of change in the world. Beginning with chaos and creation, Ovid embraces a vast array of mythological tales within his theme of transformation.

Translations of Ovid's love poems.

This introduction to Ovid's Metamorphoses considers how Ovid defined and shaped his narrative, its cultural context, and its vivid depictions of the cruelty of jealous gods, the pathos of human love, and the imaginative fantasy of flight, monsters, magicand illusion.

The modern, unacademic idiom of A.D. Melville's translation opens the way to a fresh understanding of Ovid's unique and elusive vision of reality.

Ovid's Metamorphoses is one of the most influential works of Western literature, inspiring artists and writers from Titian to Shakespeare to Salman Rushdie. These are some of the most famous Roman myths as you've never read them before!sensual, dangerously witty, audacious!from the fall of Troy to birth of the minotaur, and many others that only appear in the Metamorphoses. Connected together by the immutable laws of change and metamorphosis, the myths tell the story of the world from its creation up to the transformation of Julius Caesar from man into god. In the ten-beat, unrhymed lines of this now-legendary and widely praised translation, Rolfe Humphries captures the spirit of Ovid's swift and conversational language, bringing the wit and sophistication of the Roman poet to modern readers. This special annotated edition includes new, comprehensive commentary and notes by Joseph D. Reed, Professor of Classics and Comparative Literature at Brown University.

Beowulf is the longest and finest literary work to have come down to us from Anglo-Saxon times, and one of the world's greatest epic poems. This acclaimed translation is complemented by a critical introduction and substantial editorial apparatus.

Ovid's poetical calendar of the Roman year is both a day by day account of festivals and observances and their origins, and a delightful retelling of myths and legends associated with particular dates." --from back cover.

For the 125th anniversary of Kafka's birth comes an astonishing new translation of his best-known stories, in a spectacular graphic package.

"The Odyssey is a poem of extraordinary pleasures: it is a salt-caked, storm-tossed, wine-dark treasury of tales, of many twists and turns, like life itself" Guardian The epic tale of Odysseus and his ten-year journey home after the Trojan War forms one of the earliest and greatest works of Western literature. Confronted by natural and supernatural threats - ship-wrecks, battles, monsters and the implacable enmity of the sea-god Poseidon - Odysseus must use his bravery and cunning to reach his homeland and overcome the obstacles that, even there, await him. E. V. Rieu's translation of The Odyssey was the very first Penguin Classic to be published, and has itself achieved classic status. Translated by E. V. RIEU Revised translation by D. C. H. RIEU With an Introduction by PETER JONES
