Migrant Resettlement in the Russian Federation by Moya

...

Following the collapse of the USSR in 1991 and the rapid political, social and economic change that ensued, widespread population movements took place across the former territory of the Soviet Union. 'Migrant Resettlement in the Russian Federation' offers a new perspective on one of the most significant movements - the ethnic Russian and Russian-speaking population moving from Soviet successor

A theory of change for resettlement - Russell Webster

Migrant Resettlement in the Russian Federation is a major new contribution to current debates in migration studies. Its unique synthesis of original theoretical and empirical material will appeal to students of contemporary Russian politics, geography, culture and society, academics and policymakers alike.
