We communicate multimodally. Everyday communication involves not only words, but gestures, images, videos, sounds and of course, music. Music has traditionally been viewed as a separate object that we can isolate, discuss, perform and listen

## Read Online Music And Discourse

to. However, much of music's power lies in its use as multimodal communication. It is not just lyrics which lend songs their meaning, but images and musical sounds as well. The music industry, governments and artists have always relied on posters, films and

## Read Online Music And Discourse

album covers to enhance music's semiotic meaning. Music as Multimodal Discourse: Semiotics, Power and Protest considers musical sound as multimodal communication, examining the interacting meaning potential of sonic aspects such as rhythm,

# Read Online Music And Discourse

instrumentation, pitch, tonality, melody and their interrelationships with text, image and other modes, drawing upon, and extending the conceptual territory of social semiotics. In so doing, this book brings together research from scholars to explore questions

# Read Online Music And Discourse

around how we communicate through musical discourse, and in the discourses of music. Methods in this collection are drawn from Critical Discourse Analysis, Social Semiotics and Music Studies to expose both the function and semiotic potential of the various

## Read Online Music And Discourse

modes used in songs and other musical texts. These analyses reveal how each mode works in various contexts from around the world often articulating counter-hegemonic and subversive discourses of identity and belonging.

# Read Online Music And Discourse

Why, despite the number of high profile female rock musicians, does rock continue to be understood as masculine? Why is rock generally assumed to be created and performed by men? Marion Leonard explores different

## Read Online Music And Discourse

representations of masculinity offered by, and performed through, rock music, and examines how female rock performers negotiate this gendering of rock as masculine. A major concern of the book is not specifically with men or with women performing rock,

## Read Online Music And Discourse

but with how notions of gender affect the everyday experiences of all rock musicians within the context of the music industry. Leonard addresses core issues relating to gender, rock and the music industry through a case study of 'female-centred' bands

## Read Online Music And Discourse

from the UK and US performing so called 'indie rock' from the 1990s to the present day. Using original interview material with both amateur and internationally renowned musicians, the book further addresses the fact that the voices of musicians have often

## Read Online Music And Discourse

been absent from music industry studies. Leonard's central aim is to progress from feminist scholarship that has documented and explored the experience of female musicians, to presenting an analytic discussion of gender and the music industry. In this way,

## Read Online Music And Discourse

the book engages directly with a number of under-researched areas: the impact of gender on the everyday life of performing musicians; gendered attitudes in music journalism, promotion and production; the responses and strategies developed by female

of Aotearoa New Zealand and the  
Pacific region.

There is a growing interest among  
discourse analysts in incorporating  
the crucial element of prosody into  
the analysis of spoken language.  
These studies have tended to

# Read Online Music And Discourse

focus on specific aspects of prosody rather than presenting an over-all framework within which future analysis might continue. This volume establishes such a framework, and will consider the role of prosody in a variety of discourse genres. Using naturally

# Read Online Music And Discourse

occurring data, the author demonstrates how the examination of prosody can enhance traditional analysis.
