Then, drawing his prick suddenly out of my cunt, he poured a torrent of hot seed over my belly, and up to my very breasts. After this Mr. T- and I lost no opportunity of performing the sweet rites of Venus, and he soon initiated me into all the various ways and modes of enjoyment. I found that I could fully trust him, as he was very discreet, and particularly careful to avoid doing me harm.

Although published by Duggale in 1866-1868, this may have been a reprint (or expansion) of an earlier erotic work titled "Nunnery Tales, Written by a Young Nobleman and Translated from his French Manuscript into English. Printed and sold by the Booksellers of London and Westminster, 1727. 2s.

The Nunnery Tales (1866) — Horntip

Forbidden Fruit: A Classic Victorian Erotic Novel LONDON. 1905. PREFACE My readers of Forbidden Fruit may wish to know the origin of the work. It was this way, whilst I was staying at an out of the way village on the Sussex coast, I used to take long solitary walks, and several times saw a very beautiful girl sitting on a secluded part of the downs, attentively reading what looked like a ...

My Grandmother's Tale (Victorian Erotic Classics Book 14 ...

This is a piece of Victorian Erotica, anonymously published in 1880. This is erotica for open minded adults only.

It's 1895, and after the death of her mother, 16-year-old Gemma Doyle is shipped off from the life she knows in India to Spence, a proper boarding school in England. Lonely, guilt-ridden, and prone to visions of the future that have an uncomfortable habit of coming true, Gemma's reception there is a chilly one. To make things worse, she's being followed by a mysterious young Indian man, a man sent to watch her. But why? What is her destiny? And what will her entanglement with Spence's most powerful girls - and their foray into the spiritual world - lead to?

The original version of this classic and scandalous work of Victorian erotica, originally published in London in 1898. Includes Forbidden Fruit - a luscious and exciting story and More forbidden fruit or Master Percy's progress in and beyond the domestic circle. Very much the "50 Shades of Grey" of its era, Forbidden Fruit probes beneath the respectable surface of Victorian society to reveal a seamy underside rarely seen in the literature of its day. More than a century after its publication, Forbidden Fruit continues to attract controversy and excitement in equal measure.

When Captain Devereaux, a British Army officer, is posted to Hindustan, he leaves behind his wife and young child. This parting does not leave him lonely for long, however, and he quickly begins a sexual relationship with Lizzie Wilson, the wife of another British officer. But when Captain Devereaux meets Colonel Selwyn, his wife, and three young daughters Amy, Mabel and Fanny, he becomes entranced by the girls—Fanny in particular—and soon begins schooling all three of the Colonel' s daughters in the ways of erotic love—a lesson they are more than happy to learn. Purportedly autobiographical, Venus in India (or Love Adventures in Hindustan) was written under the pseudonym Charles Devereaux. The author ' s real identity has never been confirmed. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

My Grandmother's Tale (Victorian Erotic Classics Book 14 ...

Shocking, intimate, often uncomfortably honest, these stories reaffirm Doris Lessing ' s unequalled ability to capture the truth of the human condition In the title novel, two friends fall in love with each other's teenage sons, and these passions last for years, until the women end them, vowing a respectable old age. In Victoria and the Staveney's, a young woman gives birth to a child of mixed race and struggles with feelings of estrangement as her daughter gets drawn into a world of white privilege. The Reason for It traces the birth, faltering, and decline of an ancient culture, with enlightening modern resonances. A Love Child features a World War II soldier who believes he has fathered a love child during a fleeting wartime romance and cannot be convinced otherwise.

Following an indiscretion with a maid, exuberant Julian Robinson is sent to his family's country estate to be educated by a beautiful and bewitching French governess, Mademoiselle de Chambonnard, who subjects him to a rigorous disciplinary regime of birching and cross-dressing. Complete in three volumes, Gynecocracy is an influential masterpiece of Victorian clandestine erotica, first published in 1893. It is significant for the novelty of its focus on the subjection of a young man to women through enforced cross-dressing. This Birchgrove Press edition includes the excerpt from Don Juan, which modern reprints often omit, and a number of chapter head decorations from a nineteenth-century edition. The authorship of Gynecocracy is usually attributed to an English lawyer, Stanislas Matthew de Rhodes (1857-1932), who is also credited with writing The Yellow Room (1891) and The Petticoat Dominant (1898), which are also available from Birchgrove Press.

Welcome to Melissa Albert's The Hazel Wood—the fiercely stunning New York Times bestseller everyone is raving about! Seventeen-year-old Alice and her mother have spent most of Alice ' s life on the road, always a step ahead of the uncanny bad luck biting at their heels. But when Alice ' s grandmother, the reclusive author of a cult-classic book of pitch-dark fairy tales, dies alone on her estate, the Hazel Wood, Alice learns how bad her luck can really get: Her mother is stolen away—by a figure who claims to come from the Hinterland, the cruel supernatural world where her grandmother's stories are set. Alice's only lead is the message her mother left behind: " Stay away from the Hazel Wood. " Alice has long steered clear of her grandmother ' s cultish fans. But now she has no choice but to ally with classmate Ellery Finch, a Hinterland superfan who may have his own reasons for wanting to help her. To retrieve her mother, Alice must venture first to the Hazel Wood, then into the world where her grandmother's tales began—and where she might find out how her own story went so wrong. Don ' t miss the New York Times bestselling sequel to The Hazel Wood, The Night Country, out now, or Tales from the Hinterland, coming January 12, 2021!

Lowd, bawdy, and sensual, this cult classic is a collection of Victorian erotica that circulated in an underground magazine known as The Pearl from July 1879 to December 1880. Now dusted off and totally uncensored, the journal of voluptuous reading that titillated the eminent Victorians is reprinted in its entirety. The 18 issues of The Pearl are packed with short stories, naughty poems, ballads of sexual adventure, letters, limericks, jokes, gossip, and six serialized novels including "La Rose d'Amour," filled with inventive and exotic lovemaking scenes; "My Grandmother's Tale," with graphic descriptions of initiations into pleasure; "Miss Cooke's Confession," a tale demonstrating the Victorian interest in flagellation; and "Young Beginners," a collection of exuberant sexual adventures. Scatological and scandalous, The Pearl is definitely not for the straitlaced or pure of mind.

A young man dresses up as a woman and enters a convent in this classic, sexy, and funny novel about some very sinful and naughty nuns. Before internet porn, before porn videos, before porn movies, people lusting for raunchy, X-rated entertainment read pornographic books and magazines. Victorian and Edwardian England had its own adult entertainment industry - countless erotic novels were put out by shady publishers, some books were printed by the authors themselves, and most of the writers were anonymous. Many of these 19th century books are surprisingly kinky, and some of them may be quite offensive to modern day readers - in more ways than one. First published in 1866, "The Nunnery Tales" is one of the very first nunsplotation novels. Its anonymous author is unknown, but this may be a translation of a novel first published in French.
