Dear manager, I used My book world edition II (White) My book world edition II has 4 drive. One drive ID&Password I Know But admin ID&Password I can't remember How to use admin drive? And use the network drive mapping can recognize admin drive? Pls help me. Thank you.

~~My-book-world-edition-II-admin-ID&Password-forgot----~~

Different versions of My Book include Essential Edition, Office, Home, Premium, Mirror Edition, Studio Edition, World Edition and Pro Edition The Word edition is well known for its offering of remote file access via internet using WD anywhere software The default username for My book is "Admin" and default password is "123456 "

~~Mybook-World-Edition-Default-Password~~

The user name should be "admin" and the password should be "admin". If that does not work try disconnecting the My Book World Edition, uninstalling the software. I went as far as doing a system recovery to before I originally installed the My Book. And try again.

I haven't used the unit in quite some time now and when I tried to reconnect to it today to store some music I couldn't connect. Since I last connected, I have changed ISP's but can't remember the username or password I used when I set it up a few yrs ago. I can't use mionet because I no longer have that email that I registered with. Is there a way to reset the username and password ...

~~Resetting-username-and-password-for-My-Book-World-Edition----~~

Yes, by default the My book will only have the Admin user, the username and password is admin/admin, you can change the password from the dashboard but if you forget it you can always press the reset button on your My Book to put it back to the default password without deleting any of your files.

~~Admin-password-My-Book-Live-WD-Community~~

Default username/password is admin/admin, 123456 is valid only for the Blue Rings. Make sure that you are holding the reset button for at least 20 seconds.
