*Myths to Live By: The Collected Works of Joseph Campbell ...*

Joseph Campbell analyses myth in psychoanalytic terms to reveal their essential qualities and to demonstrate how they continue to reflect human needs, providing reassurance even in today's world. Ranging from Zen koans and Indian aesthetics to walking on the moon, Joseph Campbell explores how myth and religion follow the same archetypes, which are not exclusive to any single race, religion or region.

Myths to Live By (Ebook)  
Joseph Campbell famously compared mythology to a kangaroo pouch for the human mind and spirit: "a womb with a view.". In *Myths to Live By*, he examines all of the ways in which myth supports and guides us, giving our lives meaning. Love and war, science and religion, East and West, inner space and outer space—Campbell shows how the myths we live by can reconcile all of these pairs of opposites and bring a sense of the whole.

Joseph Campbell's *Myths to Live By* is a reminder that "there are more things in heaven and Earth... than are dreamt of in [our] philosophy." Human understanding of the world has been increased through the sciences, including mathematics, the natural sciences like physics and chemistry, the social sciences like economics, sociology, and history, and the humanities like literary and religious studies.
