I really enjoyed Salt by  
Nayyirah Waheed, so I  
thought I would give her  
other poetry collection a go  
as well. Nejma was  
definitely an interesting  
collection as well, however,  
it didn't manage to woe me  
as much as its predecessor.  
Nonetheless, Nayyirah  
remains a super fascinating  
figure to me and I wish she  
was still publishing today.

Nejma is an outpouring of strength, kindness and healing. It is an unapologetic exhale of a woman that will not be broken, who is proud to walk the path called life covered in all that melanin.

nejma is dedicated to people of colour, and throughout reading nejma, I had the sense that the book is for people of colour. It's not for me. And it almost feels inappropriate to comment, but also that my thoughts on this book don't matter. The only thoughts and opinions that matter are those of people of colour.

Nayyirah Waheed was highly

Nayyirah Waheed is considered "the maybe most famous poet on Instagram", and rightly so. Her book 'salt', touched me deeply, so that I was inspired to read her second book 'Nejma', published in 2015.
