This resource handbook provides everything community colleges need to know about setting up an international business program on their campus. The first section is a collection of narratives by community college & higher education leaders dealing with implementing export training programs. Subsequent sections of the book are made up of resource materials from community colleges with exemplary non-credit international business programs already in place on their campuses. Topics include community colleges & consultants working together; developing financial resources; international trade conferences; sequential programs on fundamentals of exporting; course offerings; & resource information, including bibliography, videos, software, databases, professional associations, & consultants.

The first comprehensive empirical account of how religion affects the interpretation, prevention, and mitigation of AIDS in Africa, the world's most religious continent.
