the issue lies not with the sales team . . . but with how it is being led. In Sales Management. Simplified. Weinberg tells it straight, calling out the problems plaguing sales forces and the costly mistakes made by even the best-intentioned sales managers. In most organizations he has been hired as a consultant, he has found that through their attitude and actions, senior executives and sales managers have unknowingly been undermining the performances of their employees. But the good news is, that with the right guidance, results can be transformed. In this invaluable resource,

And New Business Development. Anthony Iannarino never set out to become a salesman, let alone a sales manager, speaker, coach, or writer of the most prominent blog about the art and science of great selling. He fell into his profession by accident, as a day job while pursuing rock-and-roll stardom. Once he realized he'd never become the next Mick Jagger, Iannarino turned his focus to a question that's been debated for at least a century: Why are a small number of salespeople in any field hugely successful, while the rest get mediocre results at best? The answer is simple: it's not about the

“Always be closing!” –Glengarry Glen Ross, 1992
“Never Be Closing!” –a sales book title, 2014
“?????” –salespeople everywhere, 2017
For decades, sales managers, coaches, and authors talked about closing as the most essential, most difficult phase of selling. They invented pushy tricks for the final ask, from the “take delivery” close to the “now or never” close. But these tactics often

alienated customers, leading to fads for the “soft” close or even abandoning the idea of closing altogether. It sounded great in theory, but the results were often mixed or poor. That left a generation of salespeople wondering how they should think about closing, and what strategies would lead to the best possible outcomes. Anthony Iannarino has a different approach geared to the new technological and social realities of our time. In *The Lost Art of Closing*, he proves that the final commitment can actually be one of the easiest parts of the sales process—if you’ve set it up properly with other
