New Shoes by Susan Lynn Meyer -
Goodreads

New shoes, which are needed in a dream, are a good sign for your life. They are utilitarian and serve a purpose and therefore they represent issues regarding

Access Free New Shoes

money and wealth in your life. They also represent how you approach life and will indicate whether or not you are on the right path Often the color of the shoe is also important and you need to notice that and look up the corresponding color as well for a deeper dream understanding.
