"An effective, respectful approach to discipline requires a new lens, a lens that differs from many of the most common approaches to discipline. No Bad Kids offers that lens, providing practical ways to respond to the challenges of toddlerhood while nurturing a respectful relationship with your child. This book empowers parents to calmly address behaviors while honoring kids' feelings and experiences, thus giving them discipline experiences that help their developing brains thrive."

**Shanté** Magda Gerber,  
Janet's influential voice encourages parents and child care professionals to perceive babies as unique, capable human beings with natural abilities to learn without being taught; to develop motor and cognitive skills; communicate; face age appropriate struggles; initiate and direct independent play for extended periods; and much more. Once we are able to view our children in this light, even the most common daily parenting experiences become stimulating opportunities to learn, discover, and to connect with our child. "Elevating

read this book. The future of the world, to a great extent, depends on how we raise our boys." - Michael Gurian, New York Times Bestselling Author of The Wonder of Boys and Saving Our Sons If we can see the world through boys' eyes a little better, we will make different choices in the way we mother them... and we will find them less confusing, and love them more deeply. Mothers of sons are worried about raising their boys in a world where negative images of masculinity are front and centre of our media, almost every day. Not only that, but statistically our boys are still

Be the Best Parent for Your Child Direct your children onto the right path, and when they are older, they will not leave it. Proverbs 22:6, NLT How you parent directly impacts who your children are and who they will become. No one is naturally born a good parent. It takes hard work, determination, and passionate intention to raise our kids right. In the end, we can either parent on purpose... or idly sit back and allow everything else in the world to shape our children into the men and women they will become. In Purposeful Parenting, author
