"Old Soldier Sahib" is the memoir of a coal mining Welshman turned soldier at the turn of the twentieth century. As a book, it is written from a fascinating perspective that is nearly lost to history, that of a working class private.

Remarkable
autobiography of a
private soldier in the
British Army. Frank
(Dick) Richards served
the colors from 1906 to
1912 spending most of
his time in India. His
narrative style is simple
and straightforward with
no pretense or literary
flourishes, but the story
