Wow, just finished Old Enough to Love by Kristi Pelton, which is Book 1 of the Just One of the Guys Series. I did not know that this had a cliffhanger; that being said, I loved this book and now will have to read Books 2 and 3 in order to get the full story of 18 year old Zach and 15 year old Emma. One Of The Guys was generally a good book. The main characters are set in High School so you know that their will be drama. Chase(Heroine) and Logan(Hero) are bestfriends. So you know how it goes both like each other, both won't tell each other in fear of losing the other. They have their moments of where you want to smack them and say wake up.

One of the Guys gave me two older-ish ('cause one is a twin) brothers who were my absolute favorite characters. It didn't matter to me that they were just side ones either - I liked them and wished they were my own family.
