The specialty oral and maxillofacial pathology is concerned with diagnosis and study of the causes and effects of diseases affecting the oral and maxillofacial region.

Acces PDF Oral And

It is sometimes considered to be a specialty of dentistry and pathology.

Sometimes the term head and neck pathology is used instead, which may indicate that the pathologist deals with otorhinolaryngologic disorders in addition to maxillofacial disorders. In this role

Acces PDF Oral And

there is some overlap
between the expertise
of head and neck pat
