Global diversity and inclusion expert Howard J. Ross, with JonRobert Tartaglione, explores how our human need to belong is the driving force behind the increasing division of our world. Drawing upon decades of leadership experience, Ross probes the depth of tribalism, examines the role of social media in exacerbating it, and offers tactics for how to combat it.

### Our Search for Belonging - Berrett-Koehler Publishers

Our Search for Belonging is a timely and wonderful gift to our national community as we struggle to find connection in the disparate views and feelings that divide us. It offers a guiding light of innovative and creative thinking grounded in impeccable research and scientific observation.

### Our Search for Belonging: How Our Need to Connect is ...

In Our Search for Belonging, Ross puts a human face on America's 21st-century conundrum and in doing so shows a path out of our current quagmire. He delves deeply into our psyche and neurobiologic drive to connect and shows how that drive to belong overshadows political or other external realities dividing us as a country into warring factions.
