Ousmane Sembene And
The Politics Of
Culture After

This collection of essays
focuses on the

intersection of culture
and politics in the work
of noted Senegalese

writer and filmmaker

Ousmane Sembène

(1923-2007). As pointed

out in the essays and

confirmed in the

interviews that close the

collection, Sembène
rejected 'art for art's
sake' in favor of a body
of work highly engaged
with the cultural,
political, and economic
concerns newly
independent Africa
faced.
