the targets (sometimes 'victims'), the observers ('audience') and most of all the managers who have to 'set the tone' and encourage, control and manage humor. Humor is part and parcel of every workplace. However, while it usually demonstrates and fosters a united, happy workforce, it can at times be deeply damaging and divisive. The authors - academics with vast organizational experience and a research-based understanding of humor at work - bring together state-of-the art knowledge of the topic, making it fun, accessible and readable for all humor participants. The topics include how humor
