College student Lily Maywatcher goes on vacation with her cousins to Florida, after a huge breakup with her boyfriend Lily wants nothing to do with love but that changes when she meets Sawyer, a surfer who is best friends with her cousin, Doug. Lily's dream vacation was relaxing on the beach, not going on a Pontoon, or going on dates with Sawyer who tries to make her see that sometimes you find the wrong person and sometimes you can find the right person in love. But when her ex shows up, everything goes downhill for Lily.

Provides lists of selling prices of items found on eBay in such categories as antiques, boats, books, cameras, coins, collectibles, dolls, DVDs, real estate, stamps, tickets, and video games.

Rates consumer products from stereos to food processors

Stephen Anthony's new novel, Twelve Good Years: A Retired Chef's (mis)Adventures in Mexico tells the story of a retired Los Angeles chef who decides to pursue a new life in Mexico, not long after the death of his wife. He leaves behind the daily grind, the house in the suburbs, and most of his worldly possessions and embarks on a life changing journey. Packing up his old truck, he heads down to Mexico with his faithful dog to join his good friend Paul, who years earlier had left Los Angeles to live in a seaside village not far from Puerto Vallarta. Thus begins the wonderful adventures of David, and his encounters with the colorful characters he meets 'south of the border. Not everything that happens to David and his new friends are as idyllic as one might dream, but it is a realistic and compelling story, partly inspired by the real-life adventures of the author's grandfather, who was an active traveler and sport fisherman. In a genuine and approachable writing style, Twelve Good Years captures the sense of new friends, new places, and new opportunities, as well as a closer connection with nature, that people dream of when they consider swapping their current hectic lifestyle in the modern world, for a simpler, more relaxed life in an exotic locale.

Great is no longer good enough. Beyond Great delivers a powerful new playbook of 9 core strategies to thrive in a post-COVID world where all the rules of the game are being re-written. Beyond Great answers to two fundamental questions which face business leaders today in a world shaped by daunting and disruptive technological, economic, and social change. First, what is outstanding performance in this new volatile era? Second, how do we build competitive advantage in a world with new and often uncertain rules? Supported by years of research and hands-on consulting practice, this book presents a comprehensive framework for building a high performing, resilient, adaptive, and socially responsible global company. The book begins by taking an incisive look at these disruptive forces transforming globalization, including economic nationalism; the boom in data flows and digital commerce; the rise of China; heightened public concerns about capitalism and the environment; and the emergence of borderless communities of digitally connected consumers. Distilled from the study of hundreds of companies and interviews with dozens of business leaders, the authors have distilled nine core strategies - the new winning playbook of the 21st century. Beyond Great argues that business leaders today must lead with a new kind of openness, flexibility and light-footedness, constantly layering in new strategies and operational norms atop existing ones to allow for "always-on" transformation. Leaders must master a whole new set of rules about what it takes to be "global," becoming shapeshifters adept at handling contradiction, multiplicity, and nuance. This book will show them how.
