It covers every stage of development, including older parents and their adult children, and uses an inclusive approach that looks at a variety of different family contexts, such as foster families, military families, and families with an LGBTQ member, as well as the influence of culture and ethnicity on family beliefs and behaviors. The first chapter focuses on the history of theoretical and research influences of childrearing to help students understand why parents today hold certain ...

Kids Need Boundaries. Without
set boundaries, there are no
guidelines, and living without
guidelines creates insecurity.
Parents are a child's main source
of security and if the parents'
behavior indicates that they are
not in control, it opens the door
for uncertainties. Kids push the
limits because they need to know
limits are there and to know that
