exam stress and put you in control and topics on the best exam techniques can gain you valuable marks.

Practise and prepare for AQA A-level Biology with hundreds of topic-based questions and one complete set of exam practice papers designed to strengthen knowledge and prepare students for the exams. This extensive practice book raises students' performance by providing 'shed loads of practice', following the 'SLOP' learning approach that's recommended by teachers. - Consolidate knowledge and understanding with practice questions for every topic and type of question, including multiple-choice, multi-step calculations and extended response questions. - Develop the mathematical, literacy and practical skills required for the exams; each question indicates in the margin which skills are being tested. - Confidently approach the exam having completed one set of exam-style practice papers that replicate the types, wording and structure of the questions students will face. - Identify topics and skills for revision, using the page references in the margin to refer back to the specification and accompanying Hodder Education Student Books for remediation. - Easily check answers with fully worked solutions and mark schemes provided in the book.

Build essential maths, literacy and working scientifically skills to boost marks in GCSE Biology and ensure that students reach their full potential. Suitable for all specifications, this skills book provides additional support and will help to: - Sharpen mathematical skills with plenty of practice questions and coverage of all the maths techniques needed for the exams. - Improve literacy skills with tips on how to write longer answers, plus peer-assessment marking activities. - Develop the working scientifically skills needed to plan, carry out and evaluate practical experiments, in order to secure the maximum number of marks. - Build confidence by putting skills into practice; using our three-step formula students will progress from worked examples to guided questions and exam-style questions,
