La Mafia En Puerto Rico: Las Caras Ocultas del Desarrollo ...

The Puerto Rican Mob/The Puerto Rican mafia, consists of 6 crime families, in the northeastern coast of Puerto Rico around the cities of San Juan, Puerto Rico, Carolina, Puerto Rico, Canóvanas and Loiza Pueblo. The family was founded by Quitoni Martínez, José "Coquito" López Rosario whom later split from the Family to form his own which became a family within the Puerto Rican mafia, Henry Vega, Iván Vega, and Luis Albertos Rodríguez. They had strong connections with The Cali Cartel and ...

Luis López Rojas

Visiones y cegueras: La mafia en Puerto Rico: Las caras ...

La Mafia había tenido un enorme crecimiento en Puerto Rico. En abril de 1964 se señalaba en la prensa que los cubanos exiliados ya dominaban el tráfico de drogas hacia Puerto Rico. Como si los problemas fueran pocos, en 1964 las autoridades reportaban que en Puerto Rico se jugaban más de \$96 millones de dólares legalmente, cuando el presupuesto del país era de \$300 millones.

Isabel Luberza Oppenheimer was born in the San Anton neighborhood of Ponce, Puerto Rico, on 23 July 1901. Apart from her business as a madam, well documented in many Puerto Rican newspapers such as El Dia and El Vocero, not much is known about her early life. One widely circulated version is that Isabel left home as a young teenager to live with a wealthy man only to find out that he was married.

En Puerto Rico tenemos que ser empáticos y comprender que muchos de los empleados de servicio dentro de la industria gastronómica reciben la mayoría de sus ingresos a través de las propinas. Un mesero puede cobrar \$3-\$5 dólares la hora (y eso es un poco más de lo estándar), pero con un buen turno, pueden recibir hasta más de \$50-60 de propina.

The mafia don of all organized crime in the USA has been sent to prison. The organization is in turmoil across the nation, and bosses in different cities are acting on their own. The young Turks want to take over the organization, and the Columbian, Jamaican, and Russian mobs are moving into the mafia business, and there is no one among them to lead. There is a meeting at Mulberry Street, birthplace of the American mafia. There was confusion in the meeting until Tony from Chicago mentioned the name of Tony Defeo. There was silence in the room, and they agreed he was the man; but where was he? Joe Pagano answered and let them know he was alive and he can contact him, but they must all agree they will back him 100 percent if he returns, no going back. They all agreed he was the man to restore the power of the mafia again. In the USA, because he was born to be the mafia don of the USA. Now began the greatest chess game that Tony had played in his life. Just like in chess, you have to anticipate your opponent's every move, and the minimum is six. So Tony must anticipate the moves of the young Turks in their rebellion, as well as the Columbian, Jamaican, and the Russian mobs, because they will not let go what they have without a fight, just like he will fight to get back what belongs to them. But last but not least to Tony, there is the FBI, who have been wanting to know where he has been for the last twenty-five years; but that is the least of his worries.

MANY CULTURES * ONE WORLD "Boricua is what Puerto Ricans call one another as a term of endearment, respect, and cultural affirmation; it is a timeless declaration that transcends gender and color. Boricua is a powerful word that tells the origin and history of the Puerto Rican people." --From the Introduction From the sun-drenched beaches of a beautiful, flamboyant-covered island to the cool, hard pavement of the fierce South Bronx, the remarkable journey of the Puerto Rican people is a rich story full of daring defiance, courageous strength, fierce passions, and dangerous politics--and it is a story that continues to be told today. Long ignored by Anglo literature studies, here are more than fifty selections of poetry, fiction, plays, essays, monologues, screenplays, and speeches from some of the most vibrant and original voices in Puerto Rican literature. * Jack Agüeros * Miguel Algarín * Julia de Burgos * Pedro Albizu Campos * Lucky CienFuegos * Judith Ortiz

The Cuban revolutionary government engaged in social engineering to redefine the nuclear family and organize citizens to serve the state.

Recently revised to include the latest current events, this classic reference presents the historical, social, political, and cultural aspects of Puerto Rico. Puerto Rico, an island rich with culture and national pride, continues to inspire debate over its designation as a commonwealth of the United States. This updated edition of a popular encyclopedia captures important historical, social, political, and cultural developments of the oldest colony in the world, up to and including the region's current status in relation to the United States. The fascinating work is full of facts, figures, and narratives of the struggles, achievements, and creations of the Puerto Rican people. Essays highlight the area's economy, geography, religion, education, language, radio, television, social media, and films. A focus on the contributions of key historical figures showcase the stories of Ramon Power y Giralt, the first envoy to the Spanish Courts; and Juan Mari Brás, founder of the Puerto Rican Socialist Party, among others. The second edition features recent developments in the commonwealth, including the election of its first female governor, the introduction of the first sales tax, and the financial crisis that shut down schools. □ Offers insight into more than 500 years of Puerto Rican history □ Introduces the concept of "Nuyoricans," a term for those who have helped to define and create alternative definitions of Puerto Rico □ Contains biographical entries on historical figures and political leaders □ Includes a selection of photographs to visually engage the reader

Among the lasting legacies of the Chicano Movement is the cultural flowering that it inspired--one that has steadily grown from the 1960s to the present. It encompassed all of the arts and continues to earn acclaim both nationally and internationally. Although this Chicano artistic renaissance received extensive scholarly attention in its initial phase, the post-Movimiento years after the late 1970s have been largely overlooked. This book meets that need, demonstrating that, despite the changes that have taken place in all areas of Chicana/o arts, a commitment to community revitalization continues to underlie artistic expression. This collection examines changes across a broad range of cultural forms--art, literature, music, cinema and television, radio, and theater--with an emphasis on the last two decades. Original articles by both established and emerging scholars review such subjects as the growth of Tejano music and the rise of Selena, how

films and television have affected the Chicana/o experience, the evolution of Chicana/o art over the last twenty years, and postmodern literary trends. In all of the essays, the contributors emphasize that, contrary to the popular notion that Chicanas/os have succumbed to a victim mentality, they continue to actively struggle to shape the conditions of their lives and to influence the direction of American society through their arts and social struggle. Despite decades usually associated with self-interest in the larger society, the spirit of commitment and empowerment has continued to infuse Chicana/o cultural expression and points toward a vibrant future. CONTENTS All Over the Map: La Onda Tejana and the Making of Selena, Roberto R. Calderón Outside Inside-The Immigrant Workers: Creating Popular Myths, Cultural Expressions, and Personal Politics in Borderlands Southern California, Juan Gómez-Quiñones "Yo soy chicano": The Turbulent and Heroic Life of Chicanas/os in Cinema and Television, David R. Maciel and Susan Racho The Politics of Chicano Representation in the Media, Virginia Escalante Chicana/o and Latina/o Gazing: Audiences of the Mass Media, Diana I. Ríos An Historical Overview/Update on the State of Chicano Art, George Vargas Contemporary Chicano Theater, Arturo Ramírez Breaking the Silence: Developments in the Publication and Politics of Chicana Creative Writing, 1973-1998, Edwina Barvosa-Carter Trends and Themes in Chicana/o Writings in Postmodern Times, Francisco A.
