The problem solving assessments assess students' ability to reason as it is required more and more in the maths GCSE. The test students do should correspond to what they achieved in the levelled assessment so the content is not too hard. I.e., if a student is a 3.7, put them on the 2-4 PS assessment.

Levelled Skills Assessments. We assess students 6 times per year - 3 times with these assessments and 3 times with the problem-solving assessments. Each of these leveled skills assessments have the same objectives for each grade (or band) to eliminate the roller coaster effect with data and to track what students have retained of all content taught.
