Despite Brady's efforts to keep the stunning PR consultant at a distance for her safety, their attraction refuses to stay business casual. Keegan can't resist the dangerous edge behind Brady's polished veneer. Reese King: Olympic medalist, underwear model, Greek god. His body is chiseled from rock, sculpted by the weight room, and refined by water. On a daily basis his skin is completely bare for everyone to see, tan and defined, only covered up by a minuscule piece of spandex. There is no denying his sex appeal. I hate to admit it, but I'm head over heels infatuated with him. There is one HUGE problem though. His achingly gorgeous abs, inked up arm, and cocky swagger belong to my boss, the high-profile, reality star bitch from hell and certified heinous human being, Bellini Chambers. What I think is going to be an easy job assisting a glorified wench turns into a cluster f*ck of epic proportions.

Jimmy Winter is a born star on the baseball field, and Seth Barnam can only dream of being as talented. Still, the two baseball fanatics have the kind of friendship that should last forever. But when Seth experiences an unthinkable loss, he's forced to find his own personal strength--on and off the field. There are exceptions to every rule. Jada Stanley is starting over, freeing herself from her past. Following the rules she's given herself is easy enough, until she meets HIM. He's gorgeous, cocky, and everything she needs to avoid, but that's easier said than done. Cane Alexander has his own set of guidelines, a plan to keep his life simple and free of complications. But Jada is a temptation he can't resist. As their lives entwine, they realize one thing: there's an exception to every rule.

Falling in love is easy. Falling out of love is the hardest thing in the world. And Elin and Ty Whitt are terrible at it. The first time the local basketball star smiled at Elin, she was a goner. It was just so damn easy to fall for the dark-haired hometown hero with his charming smile and strong, athletic build. Thousands of sleepy smiles, aimless drives down country roads, and squeaks of the backdoor after a swing shift later, reality hits. And it hits hard. Falling in love was definitely the easy part. Watching it break apart was impossible. Through the tears, the second-guesses, the memories of a life built together, the world keeps spinning. With each turn comes clarity and hope--sometimes in the form of a pair of muddy boots by the back door or from the words of a wise friend. When Ty shows back up with a new found determination to put his family back together, Elin's torn between the fights of the past and the possibility of a new start. This is the man that holds her heart, the man she loves beyond anything else. But this is also the one person in the world that can cause her the most pain. Life's not always easy. Love's not for the faint of heart. But with life comes lessons and Ty and Elin have the scars to prove it. But it's their love written in those scars that will hold them together ... or break them apart.

What do ice cream and Sadie Montgomery have in common? They're both ice cold, but one taste is never enough. I wanted to be friends - I would have even settled for her seeing me as anything but a nerd - but there was no getting through. So just like any hard-headed, red-blooded man out there, I made up my mind. I'd make my coworker fall for me. I'd like to say it was simple, but like every other epic love story, all it took was one drunken night and a lot of naked courage to get the girl. For a moment, at least. Love with a coworker is never simple, especially since Sadie's trying to keep us on the low. Not to mention her persistent ex-boyfriend who won't leave her alone. But I've never been good at giving up, and I don't plan to start now. The whole thing is a recipe for a rocky road, but I plan to eat the whole gallon, no matter how bad the brain freeze.

He's hot. Like, stop breathing kind of hot with his killer body, vivid blue eyes, and constant five o'clock shadow. Did I mention his body? Watching Hollis Knightly, Olympic diving gold medalist, man-pony specialist--and cocky bastard--stand up on the diving platform in nothing but a small piece of Spandex? Yeah, I'm beguiled. And easily seduced. I want to keep things light but he won't leave me alone. And hell, if he's not wearing me thin. What is supposed to be a simple summer fling with a very hot man, has now morphed into a f*cked-up mess of feelings, attachment, and dare I say it...love. But I don't do relationships. And Hollis Knightly does.
