Insatiable with Marilyn Chambers. To a legion of fans World-wide, he was known as "Mr. Big." To industry insiders, he was "Mr. Nice Guy." Yet for all of his fame and notoriety, Holmes remained an intensely private person and a mystery man. That is, until now. In a startlingly frank autobiography, PORN KING was written in large part prior to his death (with new material added by his widow, Laurie.) Holmes tells the story of his incredible life. This is not a typical celebrity story, filled with bright lights and glamour, giant sound stages and movie moguls. It is, instead, a rare portrait of a young man drawn into an unknown Hollywood, a secret, forbidden Hollywood, and the parallels between his astounding career and the sexual revolution in American films. Holmes knew his subject better than anyone. Holmes candidly tells of a lucrative but often harrowing "other" life as a male prostitute to the rich and famous, a shattering fall into drugs and his side of the grisly Wonderland Murders and his desperate cross-country flight afterwards. From start to finish, in this newly revised edition, complete with never-before-seen candid photos of Holmes in his private life, PORN KING is a sizzling, sensuous, fast-paced story laced with controversy.

Painstakingly honest, this chilling memoir reveals how a teenager became immersed in the bizarre life of legendary porn star John Holmes. Starting with a childhood that molded her perfectly to fall for the seduction of "the king of porn," this autobiography recounts the perilous road that Dawn Schiller traveled—from drugs and addiction to beatings, arrests, forced prostitution, and being sold to the drug underworld. After living through the horrific Wonderland murders of 1981, she entered protective custody, ran from the FBI, and turned in John Holmes to the police. This is the true story of a young girl's harrowing escape from one of the most infamous public figures, her struggle to survive, and her recovery from unthinkable abuse.

Most people might, understandably, predict that the world's first porn star was a woman, but they would be wrong. John Curtis Holmes was just a simple country boy from Ohio when he moved to California in 1964. It was the infancy of hardcore, so in Holmes' wildest dreams, he could not have predicted the turbulent ride on which he had embarked by publicizing his private parts. With the fame he achieved by playing his most famous character - a gun toting detective named Johnny Wadd - came money. Holmes was pleased to spend it on his wife and mistresss, but soon was in over his head after he became addicted to cocaine. Unfortunately for Holmes, in the years that followed, his addiction led him into several desperate choices - including setting up a robbery at the home of Ed Nash, a powerful L.A. nightclub owner. The robbery resulted in one of the most gruesome, unsolved, multiple-murders in Hollywood history. Amazingly, before his untimely death in 1988, Holmes regained his momentum, remarried and rebuilt his life and career. However, the grave consequences of his addiction, his association with the Wonderland murders, and his AIDS-related death made him an infamous figure in pop culture. Digging past the stigmas, John Holmes: A Life Measured in Inches - the first biography about John C. Holmes - unearths the human being behind the penis and proves that there was more to him than could be measured in inches. This biography includes material from the authors' new interviews with: Laurie Holmes, Bill Amerson, Bob Chinn, Julia St. Vincent, Detective Tom Lange, Detective Frank Tomlinson, Paul Thomas, Ron Jeremy, Seka, Marilyn Chambers, Candida Royalle, Rhonda Jo Petty, Dr. Sharon Mitchell, Bill Margold, and many others! John Holmes: A Life Measured in Inches also includes 114 reviews of John's most notable feature films, 86 loops synopses, 3 photos sections with rare nudes, and a 21 page comprehensive filmography. "The tree of life represents the roots of man. The branches are the different directions a man can take, live or exist. When you're dead, those that you leave behind will put you in a part of that tree. It represents what was, what is and what will be. It's eternal." -- John Holmes

An autobiography of super-sized porn star King Gluttony. The unique story of a 750-pound man's journey into feederism and gaining. Enter the secretive world of Feederism. The moving, gripping, and tell—all autobiography of Traci Elizabeth Lords, a former child porn queen, electronica maven, and cult movie and TV star. At 14, Nora Kuzma ran away from home and ended up on the dirty streets of Hollywood. She fell in with a fast crowd, and her dreams of modelling soon landed her a spectacular centrefold in Penthouse Magazine, where at 15 she became internationally known as TRACI LORDS. From there she appeared in numerous adult films and magazines, denying her past and battling a deep addiction to cocaine and men. Three years later she got out. This is her memoir—a tale of loss, redemption, and ultimate survival as Traci Elizabeth Lords takes you into her secretive past, faces her demons, and shares her extraordinary journey of personal growth.

Filmmaker Wakefield Poole wrote the rules for living on the edge with no safety net and no apologies. How a respected Broadway dancer, choreographer, and director became the infamous creator of beautiful, wildly successful gay porn is just part of a gripping story that takes us on a whirlwind tour of the early days of the sexual revolution, when "anything goes" was a way of life. While rubbing shoulders with the theatrical elite of the day, including Noel Coward, Marlene Deitrich, Richard Rodgers, Liza Minelli and Stephen Sondheim, Poole created Boys in the Sand, the film that would revolutionize pornography and gay film, start the "porno chic" trend of the 1970s, and serve as the ruler by which all adult entertainment is measured. This new edition of Poole's memoir is an honest and entertaining look at life in the worlds of theater and gay porn, the perils and joys of success, the horrors of drug addiction, and the resilient spirit of a man who continually re-invented himself and survived it all.

From the age of five, when he helped his deaf father negotiate advertising contracts, Richard Desmond has always had an eye for business. In The Real Deal he offers a no-holds-barred account of an extraordinary career that has taken him from cloakroom attendant at a north London club to billionaire media owner. En route he tells of his early life as a rock and roll drummer, his first steps in the world of magazine publishing as a purveyor of leisure and top-shelf titles, and finally, after decades of paying his dues building smaller brands, his arrival in the big league with the launch of OK! magazine and the acquisition of Express Newspapers, his purchase and sale of Channel 5, and his £80 million investment in the Health Lottery, combining business innovation with help for good causes. Along the way, he imparts many of the secrets of his astounding success, as well as giving his forthright opinion (and he always has one) on such diverse subjects as politicians, religion, and the similarities between being a rock and roll drummer and running a business – as well as his views on a cast of characters ranging from Alan Sugar to Victoria Beckham and from Simon Cowell to Jennifer Aniston. Often controversial, frequently revelatory, always entertaining, The Real Deal is the brilliantly frank account of a life spent at the sharp end.

How does a girl go from being a shy, awkward bookworm to the biggest porn star in the world? In Sinner Takes All, Tera Patrick reveals all, including: her career as an international model; losing her virginity at fourteen to a thirtysomething photographer; learning oral sex techniques backstage at a Guns N' Roses concert; having an orgy with a team of firefighters; her unglamorous job in a nursing home; her first forays into the adult movie business; and how, with her husband's help, she launched her own multimillion-dollar empire. Along the way, she dishes on the emotional side of being Tera Patrick, writing candidly about her battles with depression and anxiety. She also discusses finding true love and building a healthy marriage, achievements that many consider to be impossible in the world of porn. Featuring hundreds of photos, plus diary pages and scintillating sidebars, Sinner Takes All takes the tell-all to raunchy new heights.

The founder of Screw magazine candidly discusses his life and career, from his numerous arrests and four tumultuous marriages to the threats on his life and his year spent homeless on the streets of New York.
