It's within coaches' power to prep young athletes to be willing to commit to positive change. This isn't just about improving athletic skills — it spills over to character change as well. Coaches who use positive reinforcement lead to young people who are more likely to be open to constructive criticism and

Online Library

Positive

suggestions for improvement. Athletes whose coaches focused on their weaknesses are less inclined to make a lasting behavior change.

How to Build Character Through Positive Coaching

Positive Coaching is jam packed with information for coaches in any sport. The book

Online Library

Positive

includes over 200
coaching

recommendations on
specific psychological,
motivational, and
behavioral situations.

There is a special focus
on the coach as

storyteller -- 50
motivational stories can
be used to develop
strong communication
with athletes.

Building Character

And Self Esteem ...

Chapter 5 describes a coach's role in building self-esteem. Relates self-

esteem to performance, competence, self-worth

and self-endorsement.

Chapter 6 talks about character building.

Describes what the

Online Library Positive

coach's most important character trait is. Gives an overview about positive character traits to be reinforced.
