Positive Discipline: The First Three Years, Revised and Updated Edition : From Infant to Toddler--Laying the Foundation for Raising a Capable, Confident Child EPUB by Jane Nelsen, M.A. Cheryl Erwin, Roslyn Duffy Part of the Positive Discipline series

"A commonsense approach to child rearing that uses kind but firm support to raise children who are both capable and confident." -- Back cover.

The celebrated Positive Discipline brand of parenting books presents the revised and updated third edition of their readable and practical guide to communicating boundaries to very young children and solving early discipline problems to set children up for success. Over the years millions of parents have used the amazingly effective strategies of Positive Discipline to raise happy, well-behaved, and successful children. Research has shown that the first three years in a child's life are a critical moment in their development, and that behavior patterns instilled during that time can have profound implications for the rest of a child's life. Hundreds of thousands of parents have already used the advice in Positive Discipline: The First Three Years to help set effective boundaries, forge strong foundations for healthy communication, and lay the groundwork for happy and respectful relationships with their young children. Now this classic title has been revised and updated to reflect the latest neuroscientific research and developments in positive discipline parenting techniques.

Explains why children misbehave; discusses class and family meetings, mutual respect, and responsibility; and tells how parents and teachers can be more understanding and supportive

Make a Difference During the Most Important Years of Your Child's Life The months leading up to the birth of a child are filed with joy, dreams, plansand a few worries. As a caring parent, you want to start your child out in life on the proper foundation. But where do you go for the answers to such questions as: How do I communicate with an infant who doesn't understand words? How can I effectively teach boundaries to my toddler? Should I ever spank my child? Over the years, millions of parents just like you have come to trust Jane Nelsen's classic Positive Discipline series. These books offer a commonsense approach to child-rearing that so often is lacking in today's world. In Positive Discipline: The First Three Years, you'll learn how to use kind but firm support to raise a child who is both capable and confident. You'll find practical solutions and solid advice on how to: ·Encourage independence and exploration while providing appropriate boundaries ·Use non-punitive methods to instill valuable social skills and positive behavior inside and outside the home ·Recognize when your child is ready to master the challenges of sleeping, eating, and potty training, and how to avoid the power struggles that often come with those lessons ·Identify your child's temperament ·Understand what the latest research in brain development tells us about raising healthy children ·And much, much more! Containing real-life examples of challenges other parents and caregivers have faced, Positive Discipline: The First Three Years is the one book that no parent should be without.

Completely updated to report the latest research in child development and learning, Positive Discipline for Preschoolers will teach you how to use methods to raise a child who is responsible, respectful, and resourceful. Caring for young children is one of the most challenging tasks an adult will ever face. No matter how much you love your child, there will be moments filled with frustration, anger, and even desperation. There will also be questions: Why does my four-year-old deliberately lie to me? Why won't my three-year-old listen to me? Should I ever spank my preschooler when she is disobedient? Over the years, millions of parents just like you have come to trust the Positive Discipline series and its commonsense approach to child-rearing. This revised and updated third edition includes information from the latest research on neurobiology, diet and exercise, gender differences and behavior, the importance of early relationships and parenting, and new approaches to parenting in the age of mass media. In addition, this book offers new information on reducing anxiety and helping children feel safe in troubled times. You'll also find practical solutions for how to: - Avoid the power struggles that often come with mastering sleeping, eating, and potty training - See misbehavior as an opportunity to teach nonpunitive discipline!not punishment - Instill valuable social skills and positive behavior inside and outside the home by using methods that teach important life skills - Employ family and class meetings to tackle behavioral challenges - And much, much more!

Positive Parenting for Those Important Teen Years Adolescence is often a time of great stress and turmoilnot only for kids going through it, but for you, their parents as well. During the teen years, kids aggressively begin to explore a new sense of freedom, which often leads to feelings of resentment and powerlessness for parents who increasingly are excluded from their children's lives. This revised edition of Positive Discipline for Teenagers shows you how to break the destructive cycle of guilt and blame and work toward greater understanding and communication with your adolescents. Inside, you'll: ·Find out how to encourage your teen and yourself ·Grow to understand how your teen still needs you, but in different ways ·Learn how to get to know who your teen really is ·Discover how to develop sound judgment without being judgmental ·Learn how to use follow-through!the surefire way to get chores done Over the years, millions of parents have come to trust the classic Positive Discipline series for its consistent, commonsense approach to child rearing. Inside, you'll discover proven, effective methods for working with your teens. Over 1 million Positive Discipline books sold! "I highly recommend this book to parents, teachers, and all others who work with young people. It is one of the best books I have seen on helping adults and adolescents turn their conflict into friendship. Remarkably, it shows how to accomplish this while helping young people develop courage, confidence, responsibility, cooperation, self-respect, and trust. I urge you to read it." !H. Stephen Glenn, Ph.D., coauthor of Raising Self-Reliant Children in a Self-Indulgent World.

With the increasing pressure to excel at parenting, work, and personal relationships, it's easy to feel stressed and dissatisfied. This targeted Positive Discipline guide gives parents the tools to parent effectively without sacrificing their well-being or giving up on their life goals. Instead of creating unachievable expectations, you will instead learn to play to your strengths at work and at home. You'll integrate your seemingly disparate areas of life and use Positive Discipline to make the most out of your time, energy and relationships. By helping you get to the bottom of the underlying causes of misbehavior, busy parents will also be able to avoid pampering and keep permissive and punitive parenting at bay. Instead of feeling fragmented and guilty, you'll have the presence of mind to explore what works best for you and your family. Attitude is key ! we'll help you feel confident in your parenting abilities and your professional choices, making your children more likely to adopt an attitude of self-reliance and cooperation. Armed with communication strategies and tips for self-reflection, moms (and dads!) won't have to feel guilty about leaving their child with a sitter during the day, or leaving work early to go to a soccer game.

Nelsen's popular Positive Discipline philosophy is used in hundreds of schools as a foundation for fostering cooperation, problem-solving skills, and mutual respect in children. In this latest edition, teachers learn how to create and maintain an atmosphere where learning can take place--and where students and teachers can work together to solve problems.

Alphabetically organized for easy access, a comprehensive parenting manual offers parents advice on hundreds of parenting problems, such as temper tantrums, sibling rivalry, ADD, shyness, eating problems, bedtime hassles, and school problems. Original. 15,000 first printing.

The tenets of Positive Discipline consistently foster mutual respect between the parent and their child so that any child--from a three-year-old toddler to a rebellious teenager--can learn creative cooperation and self-discipline without losing their dignity. This new parenting workbook will be filled with day-to-day exercises for parents to improve their parenting skills, along with success stories from parents worldwide who have benefited from the Positive Discipline philosophy. With these exercises, parents will be able to bridge communication gaps, build on their child's strengths, defuse power struggles, teach their child how to think for themselves, and more.
