Many U.S. high schools require students to take one year or more of a foreign language. While this may seem like an inconvenience to some, knowledge of a foreign language is actually beneficial.

Help students improve their mastery of the English language and acquire the keys for understanding thousands of words by studying Greek and Latin word parts (prefixes, root words, and suffixes). This is one of the most complete, usable presentations of vocabulary development using word parts you will find. A knowledge of word parts gives students a head start on decoding words in reading and testing situations. This is the first book in the two-book series. Each of the well-developed lessons in this text includes: one to three word parts along with meanings and sample words, five vocabulary words that use the prefixes or root words, definitions and sample sentences for each of the five words, a practice exercise that lets students apply knowledge of the words and their meanings, and a one-page review worksheet for one or two lessons that presents more unique opportunities to work with the prefixes and root words and to see how they are combined with suffixes. In addition to the student pages, the teacher's information includes: an extensive listing of the most common prefixes, root words, and suffixes; their meanings and sample words; additional words for each lesson; and lesson ideas to supplement the word being studied.

Help students improve their mastery of the English language and acquire the keys for understanding thousands of words by studying Greek and Latin word parts (prefixes, root words, and suffixes). In addition to the student pages, the teacher's information section includes: an extensive listing of the most common prefixes, root words, and suffixes; their meanings and sample words; additional words for each lesson; and lesson ideas to supplement the word being studied. For older students, use Red Hot Root Words, Book 2. Grades 3-5

Facilitate a love of language with students in grades 4 and up using Jumpstarters for Root Words, Prefixes, and Suffixes: Short Daily Warm-Ups for the Classroom! This 48-page resource covers prefixes with negative meanings, prefixes denoting numbers, root words, suffixes, and words with both prefixes and suffixes. It includes five warm-ups per reproducible page, answer keys, and suggestions for use.

This book presents a compilation of terms frequently encountered in the vocabulary of medicine. You will find a dash (-) appended to indicate that this word is incomplete, and there is something which comes before the medical term or behind the medical term. The terms, in this work, provide a map for students to begin to understand a complex language as the various component of the words (roots, suffixes, prefixes) are strung together to form a complete word.. It is then that the student began to get a picture of the meaning of the word as the components began to fit together. Roots, Suffixes, Prefixes is provided as a reference for our Anatomy and Physiology students and Medical Assistants. It is as indispensable for nursing students and other students in the medical field. The book is compiled alphabetically for ease of access. Hats off to all students, especially the Medical Assistant students of American Commercial College, San Angelo, Texas. We appreciate hearing from you, as well as others, concerning your opinion regarding use of this book - suggestions and constructive criticisms needed. It is your feedback that provides the basis of each revision. Remember you are the reason why this work is effected, and it is you that underwrites future editions.

Help students improve their mastery of the English language and acquire the keys for understanding thousands of words by studying Greek and Latin prefixes, root words, and suffixes. This is one of the most complete, usable presentations of vocabulary development using word parts you will find. A knowledge of word parts gives students a head start on decoding words in reading and testing situations. This book, the second in a two-book series, contains three sections (prefixes, root words, and suffixes), but each section has the same format. Each of the lessons include: two to four prefixes, suffixes, or root words along with meanings and sample words; 10 new vocabulary words that use these word parts; definitions and sample sentences for each new word; and a one-page worksheet that presents a variety of ways to apply knowledge and expand understanding of the definitions and uses of the word parts. In addition to the extensive student section, this book includes considerable reference material to help the instructor. This includes: a comprehensive listing of prefixes, root words, and suffixes; their meanings and sample words; extra words to use with each lesson; open-ended worksheets that can be used with any lesson; and additional lesson ideas to supplement your word study. For younger students, use Red Hot Root Words, Book 1. Grades 6-9

The national standards require that students beginning at fourth grade use their knowledge of prefixes and suffixes to determine the meaning of words. Each of the 30 units in this resource includes a word list, vocabulary sort cards, review game cards, and a vocabulary quiz. Students will learn over 300 vocabulary words and become more comfortable "dissecting" words and defining their parts.

Dive into prefixes and suffixes where students in grades 2 – 4 will expand their vocabularies and improve their word knowledge. Starting with Prefixes and Suffixes is a standards-based resource that introduces common Latin and Greek prefixes and suffixes and presents them in ways that are easy to understand

and apply. Each lesson provides necessary content explanations, instructional guidelines, and activities to help students decipher meaning by analyzing work parts and word groups. Additional resources are offered to assist teachers facilitate learning with an appendix offering more activities, extensions, and flashcards. This resource is correlated to College and Career Readiness and other state standards.

This updated version of the 2000 original is still the only complete resource on the market for finding word parts needed to express a concept. Aside from catering to those who wish to expand their vocabulary, the purpose of this dictionary is to provide convenient word parts to those who may be interested in inventing or deciphering words bearing an established and embedded meaning. Like the first edition, this work is split into three parts presenting the prefixes, suffixes, combining forms, and roots that fit together to form words in English. Part I, the Dictionary proper, provides an alphabetical listing of nearly 4,700 word parts, each entry including a brief definition and two examples of words using that unit. This section benefits from several additions, the most notable of which are embedded etymologies for each entry. Part II, the Finder, is a reverse dictionary of word parts allowing users to start with a meaning or concept and then find word parts which express that meaning. Still the only reverse dictionary of its kind, Part II is updated with over 1,000 new search terms. Part III collects word parts in another reverse dictionary under 18 convenient categories. Each pre-existing category has been expanded when possible, and three entirely new categories have also been added (Eating, Experts, and Measurement Science).

180 reproducible quick activities--one for each day of the school year--review, practice, and teach English prefixes, suffixes, and roots.

What are “ Root Words ” ? A root or root word is a word that is used to form another word. It is also called a base word. A root does not have a prefix (a letter or group of letters added to the beginning of a word) or a suffix (a letter or group of letters added to the end of a word). The root is the primary lexical unit of a word, and of a word family. For example, pure is a root. By adding prefixes and suffixes, the following words could be made: impure, purity, pureness Similarly, play and move are root words. By adding prefixes and suffixes, the following words could be made: plays, played, playing, player moving, movement, moved, movable, mover, movingly In this book, I have given the most common Greek and Latin roots which are used in English language. Sample This: Root Words -- A AGG Origin: Latin | Meaning: collected Examples: agglomerate -- to collect things and form them into a mass or group | related word: agglomeration aggrandize -- to increase your importance or power | related word: aggrandizement aggregate -- to put together different items, amounts, etc. into a single total | related words: aggregation, aggregator ***** ALTR/ALTER Origin: Latin | Meaning: other Examples: altruism -- caring about the needs of other people | related word: altruistic alterable -- that can be changed | related word: unalterable altercation -- noisy argument alternate -- to follow one after other | related words: alternately, alternation, alternative ***** ANIM Origin: Latin | Meaning: breath; life; soul Examples: animal -- a living creature animate -- having life; to make something full of liveliness | related words: animated, animatedly, animation, animato, animator, inanimate animateur -- a person who promotes social activities animism -- the belief that natural objects have a living soul | related words: animist, animistic animosity -- a strong feeling of opposition equanimity -- calm state of mind magnanimous -- kind, forgiving, generous | related words: magnanimity, magnanimously pusillanimous -- lack of courage unanimous -- agreeing with others | related word: unanimously ***** Some More Root Words -- A Root Word [Origin] -- Meaning | Example(s) (Related Words in Bracket) a [Greek] -- not | atheism, apolitical, atypical ablat [Latin] -- remove | ablation ablut [Latin] -- wash | ablutions abort [Latin] -- born too soon | abortion abras [Latin] -- rub off | abrasion (abrasive, abrasively, abrasiveness) abstemi [Latin] -- controlled; moderate | abstemious abund [Latin] -- overflow | abundance (abundant, abundantly) ac [Latin] -- to, toward | accept (acceptability, acceptable, acceptably, acceptance, acceptation) acanth [Greek] -- thorn | acanthus acet [Latin] -- vinegar | acetate, acetic, acetone achr [Greek] -- colorless | achromic acid [Latin] -- sour | acidic, acidify, acidosis, acidulate (acidulation, acidulous) acm [Greek] -- summit | acme aco [Greek] -- relief | aconite acous [Greek] -- hear | acoustic (acoustical, acoustically, acoustician, acoustics) adama [Greek] -- invincible | adamant (adamantly) ade [Greek] -- enough | adequate (adequacy, adequately) adip [Latin] -- fat | adipose adolesc [Latin] -- growing up | adolescent (adolescence) aer [Greek] -- air or atmosphere | aerate (aeration), aerial, aerialist, aerobic (aerobics, anaerobic) agr [Latin] -- field | agrarian, agriculture (agriculturist, agricultural) ***** Other Root Words -- A Root Word [Origin] -- Meaning aapt [Greek] -- indomitable, unfriendly abact [Latin] -- driven away abdit [Latin] -- secret/hidden ablep [Greek] -- loss of sight abr [Greek] -- delicate abscis [Latin] -- cutoff absit [Latin] -- distant aca [Greek] -- a point; silence acar [Greek] -- tiny accip [Latin] -- allow, snatch accliv [Latin] -- steep; up-hill accresc [Latin] -- increase ace [Greek] -- heal acer [Latin] -- sharp acerv [Latin] -- pile acest [Greek] -- healing; remedy
