Marking is one of the ways teachers can find out how a student is progressing, and thus plan future teaching based on what she or he finds in the marking. And of course it provides acknowledgement to the student of the work they have done. The most valuable part of this process is the feedback – for the teacher and for the student.

The Most Effective Marking Strategy For Primary School ...

Primary English Teachers Guide Andrewkirbyvet

"At last, she arrives at the fatal end of the plank . . . and, with her hands crossed over her chest, falls straight downward, suspended for a moment in the air before being devoured by the burning pit that awaits her. . . ." This grisly 1829 account by Pierre Dubois demonstrates the usual European response to the Hindu custom of satis sacrificing themselves on the funeral pyres of their husbands—horror and revulsion. Yet to those of the Hindu faith, not least the satis themselves, this act signals the sati's sacredness and spiritual power. Ashes of Immortality attempts to see the satis through Hindu eyes, providing an extensive experiential and psychoanalytic account of ritual self-sacrifice and self-mutilation in South Asia. Based on fifteen years of fieldwork in northern India, where the state-banned practice of sati reemerged in the 1970s, as well as extensive textual analysis, Weinberger-Thomas constructs a radically new interpretation of satis. She shows that their self-immolation transcends gender, caste and class, region and history, representing for the Hindus a path to immortality.

Valerie's life is pretty good. While she's not the most popular girl in school, she does have decent grades, great friends, and a potential boyfriend. All a girl could want. Then her mother announces that (1) she's gay, and (2) she's leaving Valerie's dad for her girlfriend. Not what Valerie envisioned for her future. And just when Valerie is getting over this bombshell, her father tells her he's gotten a new job as protocol chief for the royal family of some obscure European country. Valerie's world has come unglued. She can either stay in Virginia with her mom and her über-organized, veggie-burger-eating girlfriend, or go with her dad, leaving everything she knows for some place she's never heard of. Valerie opts to go, and quickly discovers that it was a mistake -- until she meets the prince, and all bets are off!

It's not often that someone stumbles into entrepreneurship and ends up reviving a community and starting a national economic-reform movement. But that's what happened when, in 1983, Judy Wicks founded the White Dog Café on the first floor of her house on a row of Victorian brownstones in West Philadelphia. After helping to save her block from demolition, Judy grew what began as a tiny muffin shop into a 200-seat restaurant-one of the first to feature local, organic, and humane food. The restaurant blossomed into a regional hub for community, and a national powerhouse for modeling socially responsible business. Good Morning, Beautiful Business is a memoir about the evolution of an entrepreneur who would not only change her neighborhood, but would also change her world-helping communities far and wide create local living economies that value people and place as much as commerce and that make communities not just interesting and diverse and prosperous, but also resilient. Wicks recounts a girlhood coming of age in the sixties, a stint working in an Alaska Eskimo village in the seventies, her experience cofounding the first Free People store, her accidental entry into the world of restaurantereing, the emergence of the celebrated White Dog Café, and her eventual role as an international leader and speaker in the local-living-economies movement. Her memoir traces the roots of her career - exploring what it takes to marry social change and commerce, and do business differently. Passionate, fun, and inspirational, Good Morning, Beautiful Business explores the way women, and men, can follow both mind and heart, do what's right, and do well by doing good.

The book provides a readable introduction to ordinary workshop and laboratory instrumentation. Material is presented through a careful blend of theory and practice to provide a practical book for those who will soon be in the real world, working with electronics. KEY TOPICS: Contains a section on measurement math and statistics. Discusses technology from the late 19 century to the present to provide a context for the development of current and future technological innovations. Presents the theories and process of measurement to provide readers with an understanding of the practical uses of the instruments being studied. Includes practical material that is oriented toward various fields of measurement: electronic communications, audio, components testing, medical electronics and servicing.

In this broad overview of humanity's predicament, psychiatrist Benjamin Kovitz illustrates the parallels between anxiety in the individual and discord in civilization as a whole. Kovitz emphasizes that civilization rests upon the precarious foundation of human nature, with its age-old tendencies toward self-deception, violence, and pursuit of power. He argues that resistance to facing our hidden motives is what lies at the core of political and religious strife as well as individual anxiety.At the heart of the book is an illuminating chapter on the meaning of anxiety, explaining with clarity and detail how the pathology arises, how it is expressed, and how it can be relieved. The complexities of the condition are portrayed in vivid clinical examples, often using the patients' own words. Kovitz takes issue with the current practice of relying solely on psychiatric medication without addressing the patient's understanding of what his or her symptoms mean.On the societal level, Kovitz shows how evasion of reality complicates our efforts at progress and peaceful coexistence, despite the advances of science and democracy, and how defensive behavior among nations can culminate in war.Turning to religion, Kovitz explores the psychological underpinnings of our need for religion and briefly summarizes the major world faiths with an eye to their underlying attitudes and assumptions. While pointing out the contradictions inherent in a literal approach to religious dogma, the author appreciates the need for faith that transcends logic. In a psychiatric evaluation of the life of Saint Teresa of Avila, Kovitz recognizes pathological anxiety yet respects the therapeutic value of her religious visions.Writing with eloquence while avoiding psychological jargon, Kovitz elucidates our human dilemmas with a clarity and depth that can help us move toward sanity in an unpredictable and troubled world.Benjamin Kovitz, MD (San Bernardino, CA), is professor emeritus of psychiatry at Loma Linda University.

Storytime: A Brand New Series of Illustrated eBooks for Kids From Jack and the Beanstalk to Cinderella, this classic collection features some of the world's best-loved children's stories in an easy eBook format. Promote Relaxation Reading a book gives your child the quiet time they need each day to relax, and is a great way for you to spend quality time together.

Wrong Means Right End tells the tale of Sneha, a single mother who is working hard to earn a living to support herself and her young son. Her focus solely lies on making their ends meet and she has lost interest in love or dating. Sneha's best friend Nandini is now happily married to Aditya, an industrialist. Nandini's concern for Sneha makes her act as a matchmaker, who wants to fill her life with love and happiness. Sneha's regular pace of life is disturbed when Nikhil, a man with whom she shares an unpleasant past, enters in her life. He is haughty and Sneha will go to any extent to keep her distance from him. If these problems weren't enough, another troublemaker, Gayathri, enters the picture to create havoc. Gayathri is Aditya's ex girlfriend who still likes him and is trying her best to jeopardize Nandini and Aditya's relationship. The only person that could help Sneha in stopping Gayatri is Nikhil. Considering their hatred for each other, will Sneha approach Nikhil for saving Nandini and Aditya's marriage?
