Past exam papers: Programming in C and C++. Solution notes are available for many past questions. They were produced by question setters, primarily for the benefit of the examiners. These are not model answers: there may be many other good ways of answering a given exam question! The solution notes for the most recent two year's worth of examinations are held back by the department and only made available to supervisors and other teaching staff (marked with ?).

Technology: Past exam ...

You'll find four years' worth of past exam papers and examiner reports for every module to aid revision. From June 2019, examiner reports and past papers will be made available only for examinations where the pass rate is under 40% for all candidates. BCS are investing in the Higher Education Product suite, and this work includes moving to a model of having question banks, meaning we will not be able to release past papers as the questions will continue to be live in the question bank and ...
