NWSA Intro to WS Syllabi 07

As the authors state throughout this one, this is not a book about picking up women, but a guide to creating a long-lasting, loving relationship. As corny as that may sound, the authors do a great job putting this guide together and presenting it to the reader in an approachable fashion.

The Man's Guide to Women: Scientifically Proven Secrets ...

This isn't a how-to guide for getting women into bed. The goal of this book is to help men succeed with women for a lifetime. Research studies show that men who are in a happy, healthy relationship make more money, have more sex, live longer, suffer less chronic illness, and show less cognitive impairment in their later years.
