" If you ' re like us, you probably have questions about friendships. Maybe you ' re not sure if someone is a real friend or the other kind. " So goes the story of Jack, Jen, Chris, Abby, Mateo, and Michelle—six students trying to figure it all out in middle school. Real Friends vs. the Other Kind, the second book in the Middle School Confidential series, follows these characters as they work to forge friendships while navigating tough social situations. The book offers insider information on making friends, resolving disputes, and dealing with other common middle school concerns—like gossip, exclusion, and cyberbullying. There ' s also expert advice on crushes, peer pressure, and being there for friends who need help. Filled with character narratives, quizzes, quotes from real kids, tips, tools, and resources, this book is a timely and engaging survival guide for the middle school years.

The funny, charming novel for Jane Austen fans, from New York Times-bestselling author Shannon Hale.

From Shannon Hale, bestselling author of Austenland, comes Kind of a Big Deal: a hilarious, madcap story that will suck you in—literally. There's nothing worse than peaking in high school. Nobody knows that better than Josie Pie. She was kind of a big deal—she dropped out of high school to be a star! But the bigger you are, the harder you fall. And Josie fell. Hard. Ouch. Broadway dream: dead. Meanwhile, her life keeps imploding. Best friend: distant. Boyfriend: busy. Mom: not playing with a full deck? Desperate to escape, Josie gets into reading. Literally. She reads a book and suddenly she's inside it. And with each book, she ' s a different character: a post-apocalyptic heroine, the lead in a YA rom-com, a 17th century wench in a corset. It ' s alarming. But also . . . kind of amazing? It ' s the perfect way to live out her fantasies. Book after book, Josie the failed star finds a new way to shine. But the longer she stays in a story, the harder it becomes to escape. Will Josie find a story so good that she just stays forever?
