Arguably, the playful transferral of recreation and youth development themes, practices and understandings to and from young adult fiction allows for a shift in focus that expand upon concepts such as power, privilege, and oppression in youth and community development through a critical lens. Although fictional, young adult literature is engaging and widely read, and there is much to be learned from it, particularly by students of recreation, youth, and community development.

Without school, organized sports and recreation activities there is a lack of structure that must be made up for. Structured activities are important in effective positive youth development (Eccles et al., 2003). Therefore, the pandemic has placed a lot of pressure on parents to provide structure for their children.
