Hockenbury's acclaimed text, *Psychology*, Second Edition, warmly invites students to explore the science that speaks most directly to their everyday lives. Using a narrative rich with engaging anecdotes and real-life stories--often drawn from the authors' own lives and experiences--*Discovering Psychology* helps to clarify abstract concepts and psychological principles. With its smart pedagogy, attractive design and state-of-the-classroom media and supplements package, there is no text better equipped for introducing students to the science that speaks most directly to their everyday

Worth offers an adapted study guide to accompany Transitions Throughout the Life Span, a new telecourse produced by Coast Learning Systems. Kathleen Stassen Berger was closely involved in the development of the telecourse, and The Developing Person Through the Life Span is the sole text accompanying the telecourse. The telecourse study guide draws clear connections between the text and telecourse.

Especially helpful for AP

# Download File PDF Reinforcement And Study

Biology students each chapter of the study guide offers a variety of study and review tools. The contents of each chapter are broken down into both a detailed review of the Important Concepts covered and a boiled-down Big Picture snapshot. The guide also covers study strategies, common problem areas, and provides a set of study questions (both multiple-choice and short-answer).
