Reputation Management: The Key to Successful Public ...

Reputation management is the most important theme in public relations and corporate communication today. John Doorley and Helio Fred Garcia argue that most CEOs don't actually pay much heed to reputation and this is to their peril. This book is a how-to guide for professionals and students in public relations and corporate communication, as well as for CEOs and other leaders.

Reputation Management: The Key to Successful Public ...

Reputation management is the most important theme in corporate and organizational communication today. Leading corporate communicators and educators John Doorley and Helio Fred Garcia argue that most CEOs don't actually pay much heed to reputation and this is to their peril. Heads of government and non-profit agencies don't do much better managing the reputation asset, as recent scandals ...

Reputation Management: The Key to Successful Public ...

The best reputation management strategies include monitoring all reviews and immediately following up on anything negative. Show that you care, are listening, and working to improve. Other prospective customers will certainly appreciate that. On the other hand, multiple negative reviews online that do not have follow-up comments does not look good.

Corporate Reputation Management: Your Keys to Success

Reputation management is the effort to influence what and how people think of a brand or person when viewed online. Put another way, character is who you are. Reputation is whom other people think you are, and today it's based mainly on what artificial intelligence systems portray about you rather than the first-person experience.

Reputation Management: The Key to Successful Public ...

Reputation Management: The Key to Successful Public Relations and Corporate Communication (3rd ed.) by John Doorley.
<P>Reputation Management is a how-to guide for students and professionals, as well as CEOs and other business leaders.

Reputation Management (3rd ed.) by Doorley, John (ebook)

Reputation management refers to the influencing and controlling or concealing of an individual's or group's reputation. Originally a public relations term, the growth of the internet and social media, along with reputation management companies, have made search results a core part of an individual's or group's reputation. Online reputation management, sometimes abbreviated as ORM, focuses on ...
