Requiem for the American Dream - Wikipedia

Part history lesson, part political commentary, part autobiography, Requiem For The American Dream is supposedly the last forthcoming interview of the greatest intellectual thinker of our time: an impression of the United States of yesteryear--where solidarity informed society's actions and a high collective consciousness fueled countless sociocultural progressions--complete with laments on how the "Masters" have greedily manipulated the circulation for their own benefit.

In Requiem for the American Dream, he outlines the 10 principles that he believes allow these wealthy entities, who subscribe to "the vile maxim": (all for ourselves and nothing for anyone else) to control the US. I found it generally pretty conspiratorial and lacking any real goal – okay, things are bad
