Urban Dictionary: ribbit

Ribbit was a frog that was mutated because he has six arms, two legs and a head and tongue sticking out of his intestine, meaning that his former head is blind and useless. He also has 6 parts of his slimy tummy skin that's spewing off. I grew up in Northern Nevada, and have always had a love for the macabre side of things. Interested in ghost stories and the town's folklore, I often found ...
