Hoffman ' s diary is an amazing insight into the attitude of ordinary German soldiers before and during the battle of Stalingrad. The entry was written at the end of July, a month before Stalingrad. Up to then, the German army had seen victory after victory and Hoffman felt confident they could conquer Stalingrad and then the rest of Russia.

Updated August 19, 2019. A ronin was a samurai warrior in feudal Japan without a master or lord — known as a daimyo . A samurai could become a ronin in several different ways: his master might die or fall from power or the samurai might lose his master's favor or patronage and be cast off.

Who Were the Ronin of Feudal Japan? - ThoughtCo

” Rhonin (also known as Ronin) was an adventurer and the former leader of the Kirin Tor. A powerful human mage, he was also known to be skilled with the sword.²³ Rhonin was instrumental in breaking the power of the orcs at the end of the Second War by freeing the Dragonqueen Alexstrasza from her imprisonment by Nekros Skullcrusher, an orc warlock and leader of the Dragonmaw Clan who used the ...

The Philippines. Ronin also took part in the Cagayan battles in 1582 in the Philippines. Fighting alongside Chinese and Filipino pirates, they were beaten by a Spanish force under Captain Juan Pablo de Carrión.. There was also a Japanese settlement in Manila, Dilao (now Paco), populated by "merchants, mercenaries, sailors, castaways, and survivors of shipwrecks" and dating to at least 1593.

Convergence", and served as the main antagonist of "The Eclipse War" saga of the Roach Chronicles and the movie special "Balance and Order". He also makes a cameo appearance within the "Age of the Soulless" and "The Sentinel Trials ...

Warrior. Samurai. Legend. “ A readable, compassionate account of an extraordinary life. ”
—The Washington Post The remarkable life of history ’ s first foreign-born samurai, and his astonishing journey from Northeast Africa to the heights of Japanese society. When Yasuke arrived in Japan in the late 1500s, he had already traveled much of the known world. Kidnapped as a child, he had ended up a servant and bodyguard to the head of the Jesuits in Asia, with whom he traversed India and China learning multiple languages as he went. His arrival in Kyoto, however, literally caused a riot. Most Japanese people had never seen an African man before, and many of them saw him as the embodiment of the black-skinned (in local tradition) Buddha. Among those who were drawn to his presence was Lord Nobunaga, head of the most powerful clan in Japan, who made Yasuke a samurai in his court. Soon, he was learning the traditions of Japan ’ s martial arts and ascending the upper echelons of Japanese society. In the four hundred years since, Yasuke has been known in Japan largely as a legendary, perhaps mythical figure. Now African Samurai presents the never-before-told biography of this unique figure of the sixteenth century, one whose travels between

countries, cultures and classes offers a new perspective on race in world history and a vivid portrait of life in medieval Japan.

SCOTT (Copy 1): From the John Holmes Library Collection.

The ashigaru were the foot soldiers of old Japan. Although recruited first to swell an army's numbers and paid only by loot, the samurai began to realise their worth, particularly with arquebuses and spears, until well-trained ashigaru made up a vital part of any samurai army. This book tells the story of the ashigaru for the first time, their origins, recruitment training and use in various wars, such as the Gempei Wars of 1180-1185 and the Onin War of 1467-1477. Stephen Turnbull draws on previously untranslated Japanese sources and unpublished illustrations that show the range of ashigaru activity, from sailors to catapult artillery men as well as the disciplined ranks of warriors that they had become.

A brilliant, unforgettable novel from bestselling author Ruth Ozeki, author of *The Book of Form and Emptiness* Finalist for the Booker Prize and the National Book Critics Circle Award
“ A time being is someone who lives in time, and that means you, and me, and every one of us who is, or was, or ever will be. ” In Tokyo, sixteen-year-old Nao has decided there ' s only

File Type PDF Ronin Soldiers Diary

one escape from her aching loneliness and her classmates' bullying. But before she ends it all, Nao first plans to document the life of her great grandmother, a Buddhist nun who's lived more than a century. A diary is Nao's only solace—and will touch lives in ways she can scarcely imagine. Across the Pacific, we meet Ruth, a novelist living on a remote island who discovers a collection of artifacts washed ashore in a Hello Kitty lunchbox—possibly debris from the devastating 2011 tsunami. As the mystery of its contents unfolds, Ruth is pulled into the past, into Nao's drama and her unknown fate, and forward into her own future. Full of Ozeki's signature humor and deeply engaged with the relationship between writer and reader, past and present, fact and fiction, quantum physics, history, and myth, *A Tale for the Time Being* is a brilliantly inventive, beguiling story of our shared humanity and the search for home.

Official organ of the book trade of the United Kingdom.

Outcast Kai joins a group of ex-samurai robbed of their position by the murder of their original leader by their overlord, and together they face a series of harrowing trials as they seek vengeance against the murderer.

The fearless, elite warriors of medieval Japan were loyal comrades but deadly foes. Whether foot soldier, samurai or trained assassin, these men were driven by strict codes of honor and bound by deep allegiances of rank, family or religion. This book examines the military lives of four formidable warrior types, covering the samurai and the ninja as well as the experiences

File Type PDF Ronin Soldiers Diary

of warrior monks and ashigaru foot soldiers, less familiar to western readers. The recruitment, training and equipment of each warrior type are described, and their beliefs, motivation and experience of warfare are explored. Rare material from Japanese sources makes this a highly authoritative treatment of the military elites of medieval Japan, brought to life by lavish illustrations and photography.
