Run, Ride, Sink or Swim: A Rookie's Year in Women's ...

It's an educational guide, perhaps, but only in so far as you can learn from all my stupid mistakes. Mostly, I'd like to think it's honest and inspirational – championing women's sport without glorifying it, because there are definitely negative sides too. You can purchase Run, Ride, Sink or Swim here. 6. What's next for you in fitness?

Here she discusses the highs and lows of training and competition, from her inspiring book Run, Ride, Sink or Swim: A year in the exhilarating and addictive world of women's triathlon.

Women's Triathlon: will Lucy Fry run, ride, sink or swim?

The challenge - and the resulting memoir Run, Ride Sink or Swim - began with a question, as I wondered how this sport had grown so fast in both popularity and scope? The first recorded triathlon event was held in California in 1974, and yet within less than three decades it had joined the Olympic ranks, appearing in the Olympic Games in Sydney 2000.

At the age of thirty-one, Lucy Fry was pretty certain she knew her limits. And here's how she felt about the component parts of triathlon: swimming - fairly terrifying, especially in open water. Cycling - brilliant when done on a stationery bike, indoors. Running - sometimes fantastic, sometimes hideous. But as increasing numbers of her female friends continued to sign up to tri, Lucy couldn't help wondering: what was it about this exhausting pursuit that women seemed to find so magical, so transformative? The time had come to find out. Over one year, five triathlons and hundreds of training hours, Lucy uncovers the ins and outs of women's triathlon: how to wear a sports bra under a wetsuit, the competition and camaraderie, whether getting over 'jelly legs' makes you a more resilient human being - and finds that maybe she doesn't know her limits after all... Funny, warm and engaging. Run, Ride, Sink or Swim is for both the tri-curious and the dedicated tri-hard, and for any woman looking for inspiration to make the transition from sofa to start line.

"I know in my heart that man is good. That what is right will always eventually triumph. And there's purpose and worth to each and every life." —Ronald Reagan Noted political commentator Michael Reagan, the son of Ronald Reagan and first wife Jane Wyman, has traveled across America, giving speeches and meeting the public. Time and time again, people tell him how much they love and miss his father, and what his presidency meant to them. In a world where role models are few and far between, Ronald Reagan's legacy stands strong. In Lessons My Father Taught Me, Michael Reagan looks back over his years with his father and reflects on what he has learned from the greatest man he has ever known—and one of the greatest men the world has known. When Michael was growing up, his father would drive him out to his ranch. There Ronald Reagan taught Michael how to ride a horse, how to shoot a gun, and much more. As they drove together or did chores together, Michael's father told him stories and taught him about life, love, family, faith, success, and leadership. Michael didn't fully appreciate those lessons at the time, but years later he remembered—and he understood. Now, Michael Reagan shares his father's wisdom and experience in this inspiring book.
