Education in Iran - Wikipedia

Holders of a bachelor's degree from a recognised university in Iran with a minimum of 14/20 or 70% will be considered for entry to taught postgraduate taught programmes. Postgraduate Research Applicants for postgraduate research programmes should hold a bachelor's degree and a master's degree, with a score of 14/20 or 70% from a recognised institution to be considered.

---

Iran - University of Birmingham

The Iranian education system from kindergarten to twelfth grade and even higher education is centralized. There are many free public schools as well as a good number of private schools (which require tuition). Primary school starts at the age of six and continues for five years. They then move into middle school, which spans grades six to eight.

Iranian Education Curriculum - E Learning Courses For ...

Iran was given a wide berth by travellers and merchants in view of the prevailing insecurity – attention shifted ever more to India. When Iran emerged from its private isolation, it entered a new world dominated by expanding European powers; among the many consequences were the remorseless losses of territories in the North and East, by the end of which Iran took on the outlines of its ...
