Starting a Science Journal. Science journals encourage writing, drawing, reading and a way for kids to record all their discoveries and adventures. There are so many ways to approach journaling -- you can journal by topic or keep your journal in date order (more like a diary). Journals can include written observations, drawings, photos, items ...

Science Projects for Kids: Notebooks & Journals ...

The kids record their findings in their science journals. And then we bring some dirt in for a more formal investigation the next day. We methodically use the sifters and divide the particles into different bowls according to their sizes. When we're done, the kids can clearly see that soil is made up of tiny, little rocks.
