The screwattack crew only covers 46 games in this book, which is a little disappointing to me since there were about 300 games released in America for it. Now, if it was only one or two people writing it, I could understand, but there are 9 authors in this book, who cover about 4 or 5 games each. That's it? Despite claiming the N64 to be one of their favorite systems, they only write 1 - 2 ...

Happy Anniversary N64! It's been twenty years since every kid growing up in the 90s lost their mind when they received an N64. Whether it was for your birthday, on Christmas morning or your bar mitzvah, the Nintendo 64 changed your life. The folks at ScrewAttack are no exception. To them, the 64 continues to be one of the greatest inventions known to man. With that kind of importance, it only made sense to relaunch the Video Game Vault series with the N64 leading the way. Following in the vein of their hit series "Video Game Vault," ScrewAttack's debut book takes a look at one of the most important systems in history. The ScrewAttack team covers their favorite games for Nintendo's iconic console while providing quirky personal stories that these games helped create. From the traditional fan-favorites, to the games everyone loved to hate, the Vault is back and it has it all.

Innovators in online content, ScrewAttack has been producing industry leading original content and melting faces for a decade and now they're bring their unique spin on video games to print! Following in the vein of their hit online "Video Game Vault" series, this book takes a look at one of the most important video game consoles in history, the N64. The ScrewAttack team writes about their personal favorite games ever produced for Nintendo's iconic console while providing their one of a kind personal experiences associated with them.

ScrewAttack's Death Battles are one of the most popular YouTube channels of all time. In his new book, ScrewAttack's DEATH BATTLES, ScrewAttack co-founder Stuttering' Craig Skistimas tells the story of ScrewAttack, and how by pitting "pop culture's deadliest characters together in a duel to the death!" ScrewAttack has been able to capture the imagination of a whole generation. Who will win? Who will die? Skistimas tells the inside story of ScrewAttack's success and how they plan to continue to dominate the fantasy game battle world. "Experts Wiz and Boomstick analyze each fighter's weapons, armor, and skills to find the decisive, unquestionable winner. It's your dream match-ups come to life!"

Which games are worth playing? ----- From pixelated pioneer adventures to stunning space odysseys, the boundaries of the video game world are expanding every day. Grand epics and gritty mysteries. Fierce competition and friendly cooperation. Powerful emotions and uproarious laughter. Video games are fantastically diverse and wonderfully creative, but not all games are created equal. With so many games out there on so many different consoles, computers, and devices, how do you decide which games are worth playing? Backed by years of writing about games professionally and decades spent playing them, Chris Watters lays out a list of 50 games to entertain and enlighten you. Whether you're trying to learn more about the world of gaming or strengthening your claim to true gaming fluency, these are the games you'll want to play, and why you'll want to play them.

Ultimate Nintendo: Guide to the NES Library 1985-1995 is an expansive and thorough look at one of the greatest video game libraries of all time - the Nintendo Entertainment System. This nearly 450-page book covers all 800+ licensed and unlicensed games released during the system's lifespan, and features information and reviews for these classic (and not so classic) 8-bit games.

The Dragon Ball Z internet phenomenon known as Over 9,000! went viral with over 7 million views on Youtube in the late 2000s. This e-book will explain the meaning behind Over 9,000 and its significant pop cultural implications in mass media, and the deeper insights into what made the Dragon Ball series so epic.
