romance to give readers the unforgettable ending they've been waiting for. The empire rests on the edge of a knife, and sisters Ashyn and Moria are the handle and the blade. Desperate to outmaneuver the evil Alvar Kitsune, whose hold on the people grows stronger every day, Emperor Tatsu begs Moria to put aside past grievances and ally with Gavril—at least long enough to make an attempt on Alvar's life. Meanwhile, reunited with her long-lost grandfather, Ashyn discovers that she is the key to a ritual that could reawaken an ancient dragon and turn the tide of the coming battle in their favour. But with lies and betrayal lurking around every corner, Ashyn and Moria will have to decide once and for all where their allegiances lie. And it may not be where their hearts would lead them.

'We loved the dark fantasy and smoldering romance in this story of identical twins with very different personalities. A tale of heroes, filled with mythological creatures, valor and self-sacrifice—fans of high fantasies will happily slip into this action-packed and exciting tale.' - Justine Magazine 'Armstrong smoothly switches from her customary modern paranormal setting to a high-fantasy adventure. Strong female protagonists make this trilogy opener a standout.' - Kirkus Reviews In the Forest of the Dead, where the empire's worst criminals are exiled, twin sisters Moria and Ashyn are charged with a dangerous task. In the third mysterious tale of Eerie-on-Sea, it ' s almost Ghastly Night, and the Shadowghast—an ancient spirit in a lantern—lurks in wait for the power to enslave the town. In this third adventure, shipwrecked orphan Herbert Lemon, Lost-and-Founder at the Grand Nautilus Hotel, must square off with a creature of town lore as he confronts a shadow from his past. While other towns celebrate Halloween, in Eerie-on-Sea it ' s Ghastly Night, and a grim spirit in a lantern awaits its moment. Legend has it that if people fail to light manglewick candles on Ghastly Night, and if no showman conjures shadow puppets on the pier as an offering, the insulted Shadowghast will seize and devour the shadows of the living. This year, a professional theater troupe has been summoned, including a raven-haired magician named Caliastra with startling news of Herbie ' s origins. No sooner have the players checked into the hotel than townspeople start vanishing into thin air, including the guardian of Herbie ' s best friend, Violet Parma. truth from sleight of hand and solve the mystery of the Shadowghast lantern before darkness swallows them all.

**Silver Wolf** In this new historical romantic fantasy of stunning originality and scope, Alice Borchardt breathes life into a bygone age, brilliantly recreating a sensuous, violent world--and the men and women whose grand ambitions, betrayals, and passions shape the era in which they live and die. Decadent Rome at the dawn of the Dark Ages is mired in crumbling grandeur. Now, into the Eternal City comes Regeane, a beautiful young woman distantly related, through her dead mother, to Charlemagne. Regeane's regal blood renders her an unwilling pawn in the struggle for political power. But unknown to those plotting against her, the blood she has inherited from her murdered father makes her much more than a child of royalty. Possessed of preternatural agility and strength, primal memories extending back thousands of years, and senses so keen they can pierce the veil of death itself, Regeane is a shapeshifter: woman and wolf, hunter and hunted. Betrothed by Charlemagne's command to a barbarian lord she has never seen, Regeane is surrounded by enemies. The most notorious, her depraved uncle and guardian, will not scruple to betray her to the Church unless she aids him in his sinister schemes. And if the Church discovers her secret, Regeane will burn at the stake. Yet Regeane finds allies as well: Lucilla, rumored to be the private courtesan of Pope Hadrian himself; Antonius, a wise and gentle soul trapped within a body grotesquely disfigured by disease; and the little Saxon girl Elfgifa, brave beyond her years, with a tongue as sharp as a blade. Outside the gates of Rome, baying on the moonlit expanses of the Campagna, there is a mysterious dark wolf whose scent makes the animal in Regeane tremble with desire. Now, as an infamous stranger prepares to claim his bride, deadly plots and counter plots tighten like a noose around her neck, Regeane must fight to live with dignity as the proud creature she is: civilized and savage, woman and wolf, partaking of both yet infinitely more than either . . . Lyrical, fast-paced, sensual, and rich with historical detail and deep insights into the heart, *The Silver Wolf* catapults Alice Borchardt squarely into the front rank of contemporary women writers. Her intricate plot and hypnotic voice will cast a spell that few will be able to resist.

**Night of the Wolf** The fearsome legions of Julius Caesar have crushed resistance to Roman rule. Watching the tragic aftermath through yellow eyes afire with curiosity and intelligence is Maeniel, a gray wolf . . . and a shapeshifter unaware of his preternatural duality. But a new Maeniel is about to be born from the ruins. The sight of the beautiful Imona fills Maeniel with unfamiliar feelings and desires, triggering his transformation from wolf to man. In her arms he learns what it means to love. It is a knowledge that will change him forever. When Imona vanishes, Maeniel follows her trail--unaware that he is being pursued by a warrior-woman sworn to kill him. But the hunt upon which the two adversaries embark will lead them farther than they can imagine: to the gates of Rome itself--to the gates of their very souls . . .

“ A perfect pick for kids who love Rick Riordan. ” —Booklist (starred review) “ A winner for all kids, but it will be especially loved by Latinx and Hispanic families. ” —Kirkus Reviews (starred review) The Lightning Thief meets the Story Thieves series in this middle grade fantasy inspired by Hispanic folklore, legends, and myths from the Iberian Peninsula and Central and South America. Charlie Hernández has always been proud of his Latin American heritage. He loves the culture, the art, and especially the myths. Thanks to his abuela ’ s stories, Charlie possesses an almost encyclopedic knowledge of the monsters and ghouls who have spent the last five hundred years haunting the imaginations of children all across the Iberian Peninsula, as well as Central and South America. And even though his grandmother sometimes hinted that the tales might be more than mere myth, Charlie ’ s always been a pragmatist. Even barely out of diapers, he knew the stories were just make-believe—nothing more than intricately woven fables meant to keep little kids from misbehaving. But when Charlie begins to experience freaky bodily manifestations—ones all too similar to those described by his grandma in his favorite legend—he is suddenly swept up in a world where the mythical beings he ’ s spent his entire life hearing about seem to be walking straight out of the pages of Hispanic folklore and into his life. And even stranger, they seem to know more about him than he knows about himself. Soon, Charlie finds himself in the middle of an ancient battle between La Liga, a secret society of legendary mythological beings sworn to protect the Land of the Living, and La Mano Peluda (a.k.a. the Hairy Hand), a cabal of evil spirits determined to rule mankind. With only the help of his lifelong crush, Violet Rey, and his grandmother ’ s stories to guide him, Charlie must navigate a world where monsters and brujas rule and things he couldn ’ t possibly imagine go bump in the night. That is, if he has any hope of discovering what ’ s happening to him and saving his missing parents (oh, and maybe even the world). No pressure, muchacho.
