Second Position Violin Teacher Study Manual Finger ...

Part of the reason that students have difficulty with 2nd position is that all of the fingerings are just one finger off of 1st position. Usually 2nd position is played to avoid crossing strings in music and to play an extended fourth finger. 2nd position is located in between 1st and 3rd position. To play in this position put your 1st finger where your 2nd finger would normally play in first position.

Shifting Positions On The Violin — The Violin

It makes no sense but the letters FCGDAEB are the secret code for the violin, cello, viola, guitar, order of sharps, and lots more. Violin Finger Positions Made Easy presents just the finger and the notes played by that finger in that position. Second position means you move the thumb and knuckle of your left hand and start playing from there.
