*SHINE SHINE SHINE by Lydia Netzer, Book Review: Original voice*

A debut unlike any other, *Shine Shine Shine* by Lydia Netzer is a shocking, searing, breathless love story, a gripping portrait of modern family, and a stunning exploration of love, death and what it means to be human. Sunny Mann has masterminded a perfect life for herself and her family in a quiet Virginia town.

*Summary and reviews of Shine Shine Shine by Lydia Netzer*  
LYDIA NETZER was born in Detroit and educated in the Midwest. She lives in

# Acces PDF Shine Lydia Netzer

Virginia with her two home-schooled children and math-making husband. When she isn't teaching, reading, or writing her next novel, she plays the guitar in a rock band.

*Shine Shine Shine | Lydia  
Netzer | Macmillan*

“Lydia Netzer's luminous debut novel concerns what lies beneath society's pretty surfaces -- Sunny's congenital hairlessness, her husband's remoteness, their son's autism. What makes it unexpectedly moving is how skillfully Netzer then peels back those layers, finding heartbreaking depth even in characters who lack ordinary

intimate portrait of a very modern American family and a timeless love story. It's about the choices that make us human, the line between life and death, and is a captivating exploration of marriage, motherhood and self.\f1\fs18 \par }

Part Pat Conroy, part Russell Banks, Jon Sealy's THE MERCIFUL is a scathing morality play that explores a cast of small-town characters surrounding a deadly hit and run in coastal South Carolina. The low-country town of Overlook is a sleepy tourist and retirement community known for its golf courses and

# Acces PDF Shine Lydia Netzer

laid-back lifestyle. But when 19-year-old Samantha James is killed in a hit and run one night while riding her bicycle home from work, the town sets out to crucify the alleged culprit, Daniel Hayward. The headlines tell a compelling story, but the truth is much less clear. As in the film RASHOMON, everyone has a "story" about what happened: the media, the prosecutor, the defense attorney, Daniel, and Samantha's family. As the book examines these myriad perspectives, THE MERCIFUL's stunning scope ranges from characters striving for a kind of American success that's just out of reach, to

# Acces PDF Shine Lydia Netzer

questions of data analytics, brain emulations, and the very survival of humanity. Ultimately, however, the novel is a morality play that asks tough questions about the nature of justice- and mercy. What do you do when one moment, one accident, one decision changes the course of life forever? In the vein of Russell Banks's THE SWEET HEREAFTER and Celeste Ng's EVERYTHING I NEVER TOLD YOU, Jon Sealy's THE MERCIFUL circles around the hit and run and the subsequent trial, providing both a gripping courtroom drama and a probing look at questions of justice and mercy in our

# Acces PDF Shine Lydia Netzer

era of competing narratives and online outrage.

Lydia Netzer, the award-winning author of *Shine Shine Shine*, weaves a mind-bending, heart-shattering love story that asks, "Can true love exist if it's been planned from birth?" Like a jewel shimmering in a Midwest skyline, the Toledo Institute of Astronomy is the nation's premier center of astronomical discovery and a beacon of scientific learning for astronomers far and wide. Here, dreamy cosmologist George Dermont mines the stars to prove the existence of God. Here, Irene Sparks, an

# Acces PDF Shine Lydia Netzer

unsentimental scientist, creates black holes in captivity. George and Irene are on a collision course with love, destiny and fate. They have everything in common: both are ambitious, both passionate about science, both lonely and yearning for connection. The air seems to hum when they're together. But George and Irene's attraction was not written in the stars. In fact their mothers, friends since childhood, raised them separately to become each other's soulmates. When that long-secret plan triggers unintended consequences, the two astronomers must discover the truth about

# Acces PDF Shine Lydia Netzer

their destinies, and unravel the mystery of what Toledo holds for them—together or, perhaps, apart. Lydia Netzer combines a gift for character and big-hearted storytelling, with a sure hand for science and a vision of a city transformed by its unique celestial position, exploring the conflicts of fate and determinism, and asking how much of life is under our control and what is pre-ordained in the heavens in her novel *How to Tell Toledo from the Night Sky*.

A deeply moving novel about a woman who thought she never wanted to be a

# Acces PDF Shine Lydia Netzer

mother—and the many ways that life can surprise us “An ode to possibility” – The Washington Post Rose Napolitano is fighting with her husband, Luke, about prenatal vitamins. She promised she'd take them, but didn't. He promised before they got married that he'd never want children, but now he's changed his mind. Their marriage has come to rest on this one question: Can Rose find it in herself to become a mother? Rose is a successful professor and academic. She's never wanted to have a child. The fight ends, and with it their marriage. But then, Rose has a fight with

# Acces PDF Shine Lydia Netzer

Luke about the vitamins--again. This time the fight goes slightly differently, and so does Rose's future as she grapples with whether she can indeed give up the one thing she thought she knew about herself. Can she reimagine her life in a completely new way? That reimagining plays out again and again in each of Rose's nine lives, just as it does for each of us as we grow into adulthood. What are the consequences of our biggest choices? How would life change if we let go of our preconceived ideas of ourselves and became someone completely new? Rose

# Acces PDF Shine Lydia Netzer

Napolitano's experience of choosing and then choosing again shows us in an utterly compelling way what it means, literally, to reinvent a life and, sometimes, become a different kind of woman than we ever imagined. A stunning novel about love, loss, betrayal, divorce, death, a woman's career and her identity, *The Nine Lives of Rose Napolitano* is about finding one's way into a future that wasn't the future one planned, and the ways that fate intercedes when we least expect it.

Jenna and Billy are in love. He's an app developer, a

# Acces PDF Shine Lydia Netzer

hyper-plugged-in citizen of the internet, with a big Scottish family and winning smile. She is a yoga teacher, tuned in to the vibes of the spiritual universe, who was abandoned by her mother as an infant and orphaned by her father's recent death. When they meet, it's electric, and it is no time before they are married and eager to start their own family. But when they can't get pregnant, Billy devises a plan: they would raise funds for their in vitro fertilization on Kickstarter, offering donor perks like cutting the cord, naming the baby, and catching the baby when it

# Acces PDF Shine Lydia Netzer

takes its first steps. The good news is that they make their fundraising goal, get pregnant and have a baby! The bad news is that their marriage begins to fall apart when they have to deliver on all those perks. It's hard enough to survive delivering a baby without a performance artist making a documentary of the cord cutting. It's difficult enough to get baby to sit up and smile for a six month portrait without a local politician taking up half the lens. What does it mean to be owned by the internet? Lydia Netzer's *Everybody's Baby* explores how relationships grow and fail

# Acces PDF Shine Lydia Netzer

in public and private life, the hazards of living "in the cloud," and the nature of love online and off.

What does it mean to be a novelist in the 21st century? How do you write a novel? What do you do with it once it's finished? And how do you get a career as a novelist off the ground? Most honest novelists will attribute some combination of talent, hard work and luck in their success, but each of these qualities can be nurtured with a little guidance. In the vein of E.M. Forster's *Aspects of the Novel* and John Gardner's *On Becoming a Novelist*, Jon

# Acces PDF Shine Lydia Netzer

Sealy shares his own story of how fiction works, from writing the first draft to building a multi-book career. Part memoir, part craft analysis, this book breaks apart the elements of fiction and explores one writer's path from student to professional. With clear and honest insight, *So You Want to be a Novelist* offers aspiring writers a toolkit for understanding fiction—and serves as both guide and warning for the road ahead.

A New York Times Notable Book! "Over the moon with a metaphysical spin. Heart-tugging...it is struggling to understand the physical

realities of life and the nature of what makes us human....Nicely unpredictable...Extraordinary." —Janet Maslin, The New York Times

When Maxon met Sunny, he was seven years, four months, and eighteen-days old. Or, he was 2693 rotations of the earth old. Maxon was different. Sunny was different. They were different together. Now, twenty years later, they are married, and Sunny wants, more than anything, to be "normal." She's got the housewife thing down perfectly, but Maxon, a genius engineer, is on a NASA mission to the moon, programming robots for a new

# Acces PDF Shine Lydia Netzer

colony. Once they were two outcasts who found unlikely love in each other: a wondrous, strange relationship formed from urgent desire for connection. But now they're parents to an autistic son. And Sunny is pregnant again. And her mother is dying in the hospital. Their marriage is on the brink of imploding, and they're at each other's throats with blame and fear. What exactly has gone wrong? Sunny wishes Maxon would turn the rocket around and come straight-the-hell home. When an accident in space puts the mission in peril, everything Sunny and Maxon have built hangs in

the balance. Dark secrets, long-forgotten murders, and a blond wig all come tumbling to the light. And nothing will ever be the same.... A debut of singular power and intelligence, Shine Shine Shine is a unique love story, an adventure between worlds, and a stunning novel of love, death, and what it means to be human. Shine Shine Shine is a New York Times Notable Book of 2012.

“Comic and Exuberant . . . A fine and tender tale for anyone who has tried to let go of the past and envision the future while falling in love.” —Rhonda Riley, author

# Acces PDF Shine Lydia Netzer

of The Enchanted Life of Adam Hope What if you could know your romantic future? What if an envisionist could enter the name of your prospective mate into a computer that would show you a film of your future life together? In The Future for Curious People, a young librarian named Evelyn becomes obsessed with this new technology: she can't stop visiting Dr. Chin's office because she needs to know that she'll meet someone and be happy one day. Godfrey, another client, ends up at the envisionist's office only because his fiancée insisted they know their fate before

# Acces PDF Shine Lydia Netzer

taking the plunge. But when Godfrey meets Evelyn in the waiting room, true love may be right in front of them, but they are too preoccupied—and too burdened by their pasts—to recognize it. This smart, fresh love story, with its quirky twists and turns, ponders life's big questions—about happiness, fate, and our very existence—as it follows Evelyn and Godfrey's quest for the elusive answers. “A love story about love stories . . . The pages burst with laugh-out-loud scenes and crisply original set-ups. I loved it!” —Lydia Netzer, author of *Shine Shine* “Somewhere

# Acces PDF Shine Lydia Netzer

"Enormously appealing . . . Evelyn and Godfrey are two unforgettable characters you'll root for and remember long after you've read the last page of this wildly original, deeply moving novel." -Mindy Friddle, author of Secret Keepers

Age range 6 to 9 Get ready for a whole new chapter in the life of Aven Green, the remarkable heroine of Dusti

# Acces PDF Shine Lydia Netzer

Bowling's Life of a Cactus series. Told in the same wry, memorable voice as the middle-grade novels, younger readers get to know Aven through her everyday adventures. Third-grader Aven Green has been solving mysteries for a really long time--a whole month. She's solved many important cases like The Mystery of the Cranky Mom, The Mystery of the Missing Ice Cream, and The Mystery of the Smelly Feet. Her record is nearly 100% (only The Mystery of the Cereal in My Underpants remains unsolved to this day). Aven asks all the right questions, wields her detective kit carefully, and

# Acces PDF Shine Lydia Netzer

follows up on every clue. Then her teacher's lunch bag (with her lunch still in it) is taken and Aven's great-grandma's beloved dog goes missing! Can this perceptive detective crack two cases at the same time? Luckily, Aven has a super-powered brain full of lots of extra brain cells to take on both cases. See, she was born without arms, so all of the cells that were supposed to make her arms went into making her brain instead. At least that her working theory for *The Mystery of Why I Have So Many Extra Brain Cells*.

Moving in with his mother's best friend after his mother

# Acces PDF Shine Lydia Netzer

attempts to commit suicide, fifteen-year-old Charlie finds himself having a love affair with the older woman that he is unable to overcome in the years that follow. 15,000 first printing.
